*STAR Education Classes

All Afterschool classes will be held at their regularly scheduled time on Early Dismissal Days, unless notified by the site Director.

CITY OF BEVERLY HILLS CLASSES

STAR EDUCATION CLASSES

CULINARY ARTS: FOOD FUSION

Last session we explored foods from around the world. This session we're going to Mix It Up and dive into kosher-style fusion cuisine – cuisines that combine elements of different culinary traditions by using flavors and ingredients inherent to another culture. We'll create tasty, fun dishes like a 'Taco Pizza' or 'Thai Sesame Noodles', while learning about different cultures and how through diversity we can all come together for a mmm mmm greater good! This class also teaches the importance of safety, preparation and teamwork in the kitchen. **No class 4/6.**

Grade: K

				Res/Non-res
23758	Mon	1:05 pm - 1:55 pm	3/9 - 5/4	$176/$220

Grade: Pre-K - K

				Res/Non-res
23759	Mon	2:05 pm - 2:55 pm	3/9 - 5/4	$176/$220

Grade: 1 - 3

				Res/Non-res
23760	Mon	2:55 pm - 3:45 pm	3/9 - 5/4	$176/$220

Grade: 4 - 6

				Res/Non-res
23761	Mon	3:45 pm - 4:35 pm	3/9 - 5/4	$176/$220

MATH: KINDER MARIO KART RACING NEW

Kinders start your engines with all your favorite Nintendo characters! Math becomes a rush when it teaches you to use basic shapes and spatial reasoning to model objects in order to construct more complex shapes, for a first place finish! Explore engineering concepts while practicing tactile and motor skills through an emphasis on hands-on building strategies. The fun never stops as you build a Mario Kart K'nex track and characters, learn to represent and compare whole numbers, describe shapes and space, and end with a Mario Kart Wii tournament where you'll apply everything you've learned! This class is part of the STAR STEAM initiative (Science, Technology, Engineering, Art and Math). **No class 4/6.**

Grade: K

				Res/Non-res
23849	Mon	1:05 pm - 1:55 pm	3/9 - 5/4	$168/$210
23850	Mon	2:05 pm - 2:55 pm	3/9 - 5/4	$168/$210

MATH: MARIO KART RACING NEW

Buckle your seatbelt and floor the accelerator; you're in the driver's seat of a nail-biting car race with all your favorite Nintendo characters. Math becomes a rush when it teaches you to measure angles, speeds, and distance for a first place finish! The fun never stops as you build a Mario Kart K'nex track and characters, test out race strategies using ball bearings and Hot Rods, and end with a Mario Kart Wii tournament where you'll apply everything you've learned! This class is part of the STAR S.T.E.A.M. initiative (Science, Technology, Art, Engineering and Math). **No class 4/6.**

Grade: 1 - 3

				Res/Non-res
23781	Mon	2:55 pm - 3:45 pm	3/9 - 5/4	$168/$210

MATH: MAKING JAWDROPPING COASTERS NEW

Lower your harness and strap in for excitement: its coaster time! Learning math is as easy as riding through a reverse loop when our young engineers use tubing, ball bearings, and other materials to create the centerpiece of their own amusement park. Engineering and math have never been this fun as you study the speed, direction, and force of your rushing coaster car. This class is part of the STAR S.T.E.A.M. initiative (Science, Technology, Art, Engineering and Math). **No class 4/6.**

Grade: 4 - 6

				Res/Non-res
23783	Mon	3:45 pm - 4:35 pm	3/9 - 5/4	$168/$210

MAGIC FOR KINDERS NEW

Enter the world of Magic and become a part of the over 5,000 years of tradition and prestige. Ancient secrets will be revealed as our apprentices take steps toward becoming masters of magic! Even the littlest of hands will learn how to make items vanish, appear and even float all while improving dexterity and public speaking! Students will leave class with a new-found confidence in their abilities, a sense of community, and a passion for all things magic! Students will take home their very own Magic Kit the last day of class! **No class 4/7.**

Grade: K

				Res/Non-res
23789	Tue	1:05 pm - 1:55 pm	3/10 - 5/5	$160/$200
23790	Tue	2:05 pm - 2:55 pm	3/10 - 5/5	$160/$200

CABARET MAGIC NEW

Imagine your first magic show. That breathtaking moment when fantasy became reality and reality became a bursting adventure of endless possibilities. Now imagine your young magician on stage, commanding an audience with the skills of a pro, and let the show begin! Cabaret magic teaches students how to perform to music and learn mini comedy routines that build self-confidence, develop dexterity and enhance performance techniques. Students also learn amazing vanishes, productions and transformations! Students will take home their very own Magic Kit the last day of class! **No class 4/7.**

Grade: 1 - 3

				Res/Non-res
23791	Tue	2:55 pm - 3:45 pm	3/10 - 5/5	$160/$200

Grade: 4 - 6

				Res/Non-res
23792	Tue	3:45 pm - 4:35 pm	3/10 - 5/5	$160/$200

SPORTS: NON-CONTACT MARTIAL ARTS NEW

High-kick your way to better health! Discover the magic of martial arts as you get a great workout, refine your hand-eye coordination, and boost your self-confidence. Harness the energy of martial arts in a non-contact environment as you develop a sense of discipline and self-respect. **No class 4/7.**

Grade: K

				Res/Non-res
23798	Tue	1:05 pm - 1:55 pm	3/10 - 5/5	$160/$200

23856	Wed	3:45 pm- 4:35 pm	3/11 - 5/6	$168/$210

MEDIA ARTS: KINDER ANIMATION STUDIO NEW

You're never too young to create! Specifically geared toward younger artists, students in this animated class learn the fundamentals of bringing objects to life with stop motion animation. Make your own awesome mini movies using stop motion along with other mind-blowing animation techniques. Expert teachers guide students on a magical storytelling journey that is sure to amaze and stir up endless creativity. All of the animated shorts will be made using iPads and will be screened for friends and family at the end of the session. Limited to 10 students. **No class 4/8.**

Grade: K

				Res/Non-res
23793	Wed	2:05 pm - 2:55 pm	3/11 - 5/6	$168/$210

MEDIA ARTS: ANIMATION STUDIO NEW

Ever wonder how Disney, DreamWorks and Pixar create such cool movies? Now you can find out in this popular intro to Animation class! This moving course helps students develop their unique, colorful imaginations and bring their very own stories to life frame by frame using an iPad! Each week, students will learn the basic techniques of animation from early animation toys to stop-motion and claymation. Students will also explore the fundamentals of storytelling and the importance of 'meaningful movement' -- deciding how and when to move objects to achieve a desired outcome. Limited to 10 students. **No class 4/8.**

Grade: 1 - 3

				Res/Non-res
23794	Wed	2:55 pm - 3:45 pm	3/11 - 5/6	$168/$210

				Res/Non-res
23830	Wed	3:45 pm - 4:35 pm	3/11 - 5/6	$168/$210

SCIENCE: SPACESHIPS, ROBOTS, & ALIENS

Ready for a blast? Explore the farthest reaches of the universe with STAR Science! Everyday scientists make new discoveries that take us one step closer to finding alien worlds, flying through the galaxy, and building mind-blowing gadgets. Now you can be right there with them, on the cutting edge of science, making your own robot, designing a spaceship, and learning about new breakthroughs in physics, biology, and astronomy. On the last day come dressed as an alien for a scientific adventure! Older students will have more advanced lessons and challenges. **No class 4/9, 5/7.**

Grade: K

				Res/Non-res

SKATEBOARDING: BOARD BUILDERZ NEW

Learn to design and build your own custom skateboard starting with a blank quality maple deck. Discover what it takes to be a real life skateboard artist as you are taught basic and advanced art skills like shading, foreground, background, overlapping, outlining, and more! You'll use your mechanical skills to put on wheels, trucks, bearings, and grip tape to complete your one-of-a-kind board. Aspiring skaters will learn about skateboard safety, the physics of skateboarding, and skateboard history from the 1950's to the present day. Students will take home their unique skateboard the last day of class. **THERE IS NO SKATEBOARD RIDING IN THIS CLASS. No skateboard use allowed on school grounds**. Material Fee included. **No class 4/9, 5/7.**

COMPUTERS: MINECRAFT: ULTIMATE MINECRAFTER

Minecraft is all about building new and amazing creations. Now you can put your construction skills to the ultimate test! Every week you'll be in a timed competition with your classmates testing your focus, time management and creative problem solving. There will be opportunities to build alone or work in teams for even more spectacular constructions. Use your ultimate skills to become the Ultimate Minecrafter! Limited to 10 students. **No class 3/20, 4/3, 4/10.**

Grade: K

				Res/Non-res
23819	Fri	2:05 pm - 2:55 pm	3/13 - 5/8	$126/$158

COMPUTERS: MINECRAFT: THE ANT FARM EXPERIMENT

The Minecraft Ant Farm will challenge you to explore and survive in this strange new Minecraft world. As residents of the Ant Farm, you will experience strange and sudden changes to your environment from mysterious forces as you attempt to carve out a place to survive. Dare to discover the many twists and secrets of The Ant Farm! Limited to 10 students. **No class 3/20, 4/3, 4/10.**

Grade: 1 - 3

		Res/Non-res		
23822	Fri	2:55 pm - 3:45 pm	3/13 - 5/8	$126/$158

COMPUTERS: MINECRAFT: ADVANCED WORLD BUILDERS

Think you have what it takes to rule the world? Now you can when you build your own! This take charge class uses tools such as WorldEdit to create an entire Minecraft world of your own design. You will also get to explore the worlds created by fellow classmates and collaborate to make exciting places everyone will want to visit! Will your place be a peaceful village? A bustling city? An interactive maze? The choice is yours! Limited to 10 students. **No class 3/20, 4/3, 4/10.**
