CITY OF BEVERLY HILLS, CALIFORNIA

BID ADDENDUM NO. 1

ADDENDUM No. 1 for the above referenced project hereby modifies the bid documents, as follows:

1. The Fire Flow Testing Schedule has changed according to the schedule below (revised Table 1). Therefore, a total of 774 fire hydrants are to be fire flow tested for calendar years 2020-2022 by the contractor as seen in Table 1.

Table 1: Fire Flow Testing Schedule

Calendar Year	# of Fire Hydrants	Map Zone	Status
2019	255	Various Areas	Already Completed by others
2020	258	Area 3	To be performed by Contractor
2021	258	Area 2, 5 and 6	To be performed by Contractor
2022	258	Area 1 and 4	To be performed by Contractor

2. The proposer shall reference the following bid number 19-350-08 as 20-350-02 clearly marked on the outside of the bid package when submitting.

The bidder shall sign and attach this addendum to his/her proposal package.

Attach this Addendum No. 1 to your proposal and submit at the time of bid.

Vince Damasse, P.E.
Water Resources Manager
City of Beverly Hills
