Spring Greetings

A Note from the Community Services Director...

No matter how long the winter, spring is sure to follow. There is something very satisfying about this proverb. And while seasonal changes aren’t as obvious for Southern Californians as they are, say for our friends in the Midwest, the transition from winter to spring is evident for those who take notice. You might see the California poppies begin to spring up and the jasmine start to bloom. And for the City of Beverly Hills, three annual, very popular, spring events take place: Woofstock 90210 on March 6, Concours d’Elegance on May 1 and BH artSHOW on May 20 and 21.

The fifth annual Woofstock 90210 (page 10) brings together nearly 3,500 pet lovers and participants and over 300 pets in celebration of our furry friends. The pet talent show and parade, and pet adoptions are among the most anticipated activities at the event. Over 35 vendors will introduce you to some of the best and latest products in pet food, fashion, training and more.

Concours d’Elegance (page 8) at Greystone Mansion & Gardens is known as one of Southern California’s premier car events. On Sunday, May 1, over 150 vintage automobiles and motorcycles of distinguished marques will be on display. This takes place at the City’s most enchanting property -- Greystone Mansion & Gardens: The Doheny Estate. If you haven’t been to Greystone Mansion & Gardens, you must put it on your list of destinations to visit. The estate graces the front cover of our spring brochure. In addition to being a wonderful and popular wedding venue, it is a viable rental option for corporate and non-profit events. If you’re looking to “escape the city” for a corporate workshop or day retreat, please consider this venue.

Our last event of the spring, is the bi-annual BH artSHOW (page 39) May 20th and 21st at Beverly Gardens Park along Santa Monica Boulevard between Rodeo and Rexford Drive. The BH artSHOW has been a community event for 43 years and brings nearly 40,000 people from all over the country to see the artwork of 250 artists. It’s a great cultural experience where you can meet the artists, talk shop and purchase artwork for your collection.

Visit www.beverlyhills.org or connect with us on Facebook or twitter at: @BHRecandParks to stay informed about news and events.

This will be my last message to you as I look forward to my retirement in March. It has been an honor to be of service to this community for nearly 16 years and it has been a great journey. As I move on to my next chapter, I wish the very best for Beverly Hills and its residents, businesses and guests.
