

April 2019,

Greetings,

Hope everyone is well.

On April 24, we had our rescheduled March refresher.

The topic was Medical I and was instructed by FF/PM Jake Morrow and assisted by CERT Instructor Pam Meadow.

The class was well received and there were many compliments for Jake on a job well done!

Our next refresher is Medical II on May 8, 6-9 pm in the Fire Training Room.

I will send out another reminder next week.

Please be sure to sign up at [www.beverlyhills.org/certsignup](http://www.beverlyhills.org/certsignup).

At the upcoming refresher, Les Bronte will also include lifesaving skills from the "Stop the Bleed" campaign.

There will be a free, Stop the Bleed class on June 27 brought to you by a partnership between BHFD, Cedar Sinai and BHCPR. This training is open to the public. Registration will open late May and a link will be available at <http://www.beverlyhills.org/citygovernment/departments/firedepartment/stopthebleed/>

A valuable Stop the Bleed booklet has been attached.

I also wanted to invite all of you to our annual Fire Service Day on May 11. (Flyer attached)

The next round of Community CERT classes are scheduled for November and the Business CERT class for October. The new flyers are available on our website at [www.beverlyhills.org/certsignup](http://www.beverlyhills.org/certsignup) so please let your friends and neighbors know!

Thank you,

Chris Heyer

Deputy Fire Marshal
