Remember to Vote March 5th!

Beverly Hills was incorporated in 1914 and is organized with a five-member City Council. City Council members, elected at large, serve four-year overlapping terms, with municipal elections held in March every other year. This year, voters will turn out on Tuesday March 5th to elect three candidates to the Beverly Hills City Council and one seat for City Treasurer.

Before you cast your vote, choose to inform yourself about the candidates. Three community-sponsored election forums are being held throughout the month which feature in-depth Q&A sessions with the candidates. The moderated panel discussions combined with open questions from the audience are designed to provide insights on a candidates' qualifications for office and an understanding of their views on local issues.
