Dodger Blue to Light Up City Hall at Night!

Beverly Hills, CA – In celebration of Los Angeles Dodgers' first National League Championship in 29 years, Beverly Hills City Hall and iconic Electric Fountain will light up in blue!

Starting tonight at dark, blue lights will be aimed at the City Hall tower; and the colorful Electric Fountain at Wilshire and Santa Monica boulevards will be set to all blue lighting. The blue lighting will be maintained throughout the World Series playoffs.

The Dodgers beat the Chicago Cubs 11-1 last night in game five of the series and claimed more than 100 victories throughout the season. The last time the Dodgers made it into the World Series was in 1988.
