

# WHEN IT ROCKS.. ARE YOU READY TO ROLL?

Participate in the April 2006 ❖ City of Beverly Hills  
"I'm Prepared!" Employee Pledge Drive

**I**n the spirit of fun, competitiveness and emergency preparedness, the City of Beverly Hills proudly announces its second annual "When It Rocks, Are You Ready To Roll?" employee pledge drive. One of the most important ways you can protect your family and yourself is to have emergency preparedness kits, at home, at work, and in your car. This year's drive asks everybody to have an emergency car kit.

## It's easy to participate!

- ❖ Using the handy checklist on the back of this flier, just put together or update supplies for a basic preparedness kit for your car.
- ❖ When your kit is ready, then - - with pride - - complete the "I'm Prepared!" Pledge Card below and turn it in to your department.

Every City employee is encouraged to be prepared in the event of an emergency or disaster. This is a citywide competition between departments. The department with the highest percentage of employees completing their preparedness kits will win a prize. This is one pledge drive that can help you and your loved ones be prepared!

### And while you're at it...

Take a moment to plan how your household would stay in contact if you were separated. Identify two meeting places: the first should be near your home-in case of fire, perhaps a tree or telephone pole; the second should be away from your neighborhood in case you cannot return home. Pick a friend or relative who lives out of the area for household members to call to say they are okay.
