

LIST OF LOCAL MASTER ARCHITECTS

The List of Local Master Architects is an official list maintained by the City of Beverly Hills that includes those individuals and firms that are now known to have contributed to creating the built environment in Beverly Hills.

As defined in the Beverly Hills Municipal Code, a Master Architect is, “an architect of widely recognized greatness in the field of architecture whose individual genius influenced his or her age.”

This list has been compiled and adopted by the Cultural Heritage Commission to assist in the identification and evaluation of properties throughout the city for historical significance.
