Go Paperless
As a Department that promotes sustainability and as we continue to build our readership, our goal is to eventually distribute the newsletter electronically only. We encourage you to subscribe to the following link and opt in by selecting the Public Works Newsletter for the electronic version. The electronic newsletters allow the City to share more information while reducing paper production. www.beverlyhills.org/enotice

Introduction to the Beverly Hills Urban Forest Management Plan
Learn about the goals and process that the City of Beverly Hills is undertaking to create a sustainable urban forest through the creation of an urban forest management plan.

Dudek Engineering has been selected by the City of Beverly Hills (City) to prepare a comprehensive citywide Urban Forest Management Plan (UFMP).

What is an UFMP? Dudek has created a webinar to explain what it is and how the process behind this document works. In short, a UFMP is a guiding document that sets a vision for the urban forest and provides short and long-term goals and objectives to measure progress towards achieving the vision. Watch the webinar and learn more!

The UFMP will support the City Council’s Priorities and maintain the Fire Department’s goal for continued fire safety.

The City and Dudek welcome your input as a resident on the Beverly Hills urban forest to help in considering and incorporating priorities and we request your participation in an online survey so please tell us how you feel about trees! www.beverlyhills.org/ufmp

WAT-ER You Doing to Water Wisely?
FREE Large Landscape Water Evaluations
The City would like to help you use water more efficiently by offering free landscape water evaluations. Trained City staff will come to your home and personally work with you and your gardener. They will examine your watering schedule and check your sprinklers to make sure they are watering your landscape efficiently. On site adjustments will be made if possible, and irrigation improvements will be suggested. Prior landscape evaluations have helped other Beverly Hills residents reduce up to 50% of the total water used at their property! For more information or to sign up, please call 310-285-2467 or email AskPW@beverlyhills.org.

Residential Parking Permit Renewal
Permit renewal season is here! All residential parking permits are set to expire on September 30, 2019. Renewal notices have been mailed to all residents with existing permits. You can renew your parking permits online, by mail, or in person (be aware that all parking permits are mailed). Please make sure to renew your parking permits before the September 1st deadline to ensure timely delivery. For more details on parking permit renewals visit www.beverlyhills.org/parkingpermits, call Customer Service (310)285-2467, or email parking@beverlyhills.org.
**Upcoming Meetings**

**Tuesday, August 6, 2019 | 7:00 PM**

**Coming Your Way: Household Hazardous Waste Event**

The City’s Household Hazardous Waste event is coming soon! The City has partnered with the County of Los Angeles to sponsor a free one day event for the proper disposal of universal waste (e.g. motor oil, paint thinner, anti-freeze, varnish, pesticides, batteries and other household hazardous products), and electronic waste (e.g. computer monitors, televisions, computer CPUs, keyboards, printers and cell phones), as well as expired pharmaceuticals (controlled substances will not be accepted).

The Beverly Hills event is one out of approximately 57 events held throughout the county. Each event is open to all Los Angeles County residents. Start preparing to dispose of your items properly.

**Date:** Saturday, September 28, 2019  
**Location:** West Third Street and Civic Center Drive (between Foothill Road and Civic Center Drive).  
**Time:** 9:00 am to 3:00 pm
