

CULVER MEDIAN STORMWATER REGIONAL PROJECT

January 10, 2019

Public Works Commission

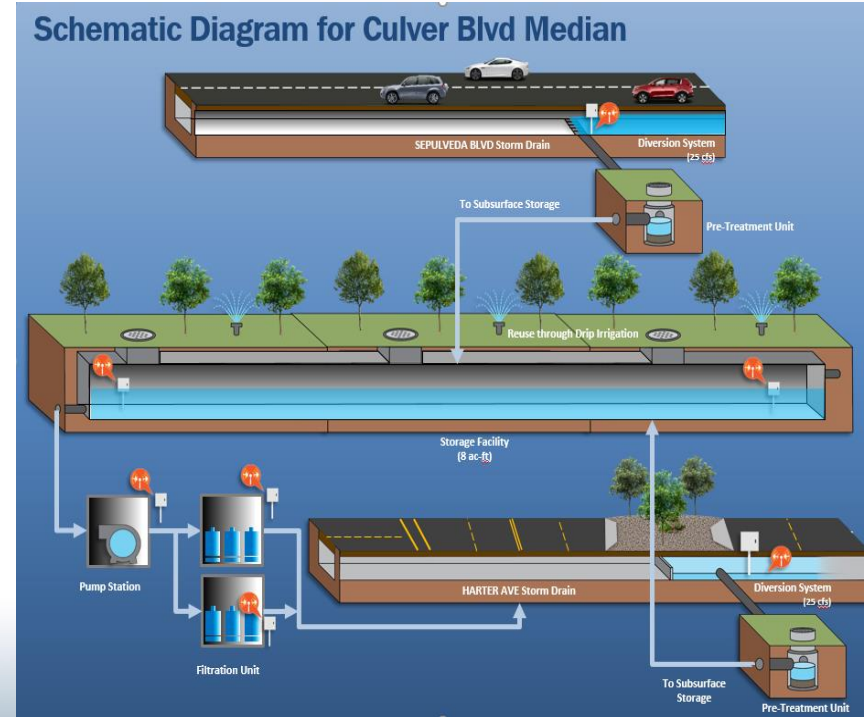

Background

- **Stormwater Compliance**
 - Low Impact Development (Development)
 - Green Streets
 - **Regional Project**
- **Beverly Hills Projects**
 - Santa Monica Blvd
 - La Cienega Park
 - Burton Way Median

Project Background

- Signature Regional Project
- Treat 796 acres and capture 19.5 acre-ft.
- Estimated Cost \$15.6 M
 - Grant Funding (\$7.7 M)

Cost Comparison

Project	Capital Cost	Capacity (acre-ft.)	Capacity Cost (\$/acre-ft.)
Burton Way Median (Phase 1)	\$3.7 M	4.0	\$925K
Burton Way Median (Phase 1 + Phase 2)	\$9.8 M	9.0	\$1.1M
Culver Median	\$3.5 M	4.4	\$795K

Benefits

- 4.4 acre-ft. Compliance Credit
- Regulatory Enforcement Considerations (full-faith effort)
- Relief of project management and construction burden

Recommendation

- The Public Works Commission support the compliance opportunity to cost-share for the Culver Median Stormwater Regional Project.
