**2) NORTH CANON MURAL ART DIRECTION**

Management Analyst Teresa Revis presented an overview of the process leading to recommendation of artist Tomokazu Matsuyama, to create a temporary mural on the North Canon Drive soundwall. City Council provided final approval of this artist at the April 2, 2019 meeting. The City's consultant, LeBasse Projects, requested feedback to provide to the artist before he creates 3 concepts for consideration by the stakeholders. The liaisons provided art direction in regards to color tone, relatable work at both human scale and at a distance, depth, large landscape theme, family friendly, fun tableau, with figurative multicultural components, The liaisons requested that this mural has the opportunity for future augmented reality component and Easter eggs (hidden or subtle elements). In addition, the liaison would like for this mural to be designed for possible division of the work into smaller pieces to provide opportunity for future relocation of these smaller sections.
