

# WATER TRACKER

Sign up for the City of Beverly Hills' **FREE** Water Tracker program and save water, money and future headaches!

## How to Sign Up:

1	Visit <a href="http://water.beverlyhills.org">water.beverlyhills.org</a> . Click on "Sign up here".
2	You will be redirected to the City's registration page. Enter your e-mail address in the box and hit "submit". Now check your email (possibly junk mail) for a link to create a password.
3	Sign-in to Water Tracker using your login email address and newly created password. You will then need your 6 digit customer number (check your water bill) to link up your account. Note: If your customer number is less than 6 digits, add "0" to the beginning of your customer number.
4	Re-enter your login and password to finalize set up. Click "My Water Use" to start exploring water usage statistics by year, month, week, day, or hour (on left side of screen). You can also view your water usage summary per billing cycle on the tab labeled "Consumption Summary".
5	Set your notifications by going to "Account Settings" (top bar) to complete your "Account Profile" and hit "Save." Next go to "Water Settings" (side bar) and set: <ol style="list-style-type: none"> <li>"Usage Budget" at 10% above your typical outdoor watering day usage (ex: if you use 600 gallons, set it for 660 gallons "daily"), and</li> <li>"Continuous Flow Threshold" at 0 in order to be notified of potential leaks.</li> <li>Enter your email and cell phone (sms) to receive leak or excessive water use alerts.</li> </ol>
6	Save this site under your favorites.
