LAW ENFORCEMENT CODE OF ETHICS

“As a law enforcement officer, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation; the peaceful against violence or disorder; and to respect the constitutional rights of all persons to liberty, equality and justice.

I will keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint; be constantly mindful of the welfare of others; and be honest in thought and deed in both my personal and official life. I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or what is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities, or friendships influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence, and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession... law enforcement.”

WRITTEN TEST

The CA POST PELLETB written test is administered by a designee of the City of Beverly Hills to police officer applicants.

All applicants will be required to show photo identification to gain admittance into the testing area. The applicant must maintain photo identification at all times throughout the testing process, in the event a question of eligibility should arise. PHYSICAL ABILITY TEST

The examination itself consists of 3 events designed to measure endurance, strength, and agility. Each event is individually scored and a passing score must be attained in each to continue to the next event. If you fail an event, you will be dropped from further participation at that point.

The applicants, who do not pass the PAT exam on their first try, may re-take the PAT exam a total of 3 times within 6 months.

HIRING COMMITTEE REVIEW

Upon successfully passing the initial interview, the applicant will receive a multi-page “pre-employment” background questionnaire which will be completed and submitted to the background investigator prior to the next step in the hiring process. The areas of focus will be applicant’s driving history, criminal history, illegal drug use and other pertinent information. The hiring committee will then make the determination whether the applicant meets the department’s minimum requirements, to continue in the hiring process.

COMMAND INTERVIEW

Once applicants pass the written exam, physical ability test, initial interview panel and hiring committee review, they may be interviewed by the Command Staff.

POLYGRAPH EXAMINATION & BACKGROUND INVESTIGATION

Applicants who pass the Police Command interview will receive a multi-page “Personal History Statement” (intensive background form) which is required to be completed and returned at the time of the initial meeting with your background investigator.

Additionally, applicants are required to supply certificates of high school graduation, high school and college transcripts, a copy of their social security cards, Military DD 214 (if applicable), and a copy of their driver’s license. All requested documents are examined and evaluated against a list of automatic disqualifiers established by the City of Beverly Hills. Any finding of automatic disqualifiers eliminates the applicant from further consideration. Failure to supply the information requested also results in an automatic disqualification.

In addition to the background investigation, applicants are required to undergo a pre-employment polygraph examination. A qualified polygraph examiner administers the test. The polygraph examination is designed to confirm an applicant is being “truthful.” All of the questions posed to the applicant during the examination are discussed with the applicant prior to the actual testing.
At this point, an extensive background investigation is undertaken which consists of personal contacts and phone contacts with listed references, school teachers, administrators, employers, co-workers, neighbors, unlisted references that can be located, spouse, ex-spouses and friends. Additionally, there is a review of an applicant’s current financial responsibility, credit history, and criminal history.

**CONDITIONAL OFFER OF EMPLOYMENT**

The completed background investigation file is sent to Command Staff for their review and determination on whether the applicant continues forward in the hiring process. If the applicant is approved, a conditional offer of employment is made in writing, contingent upon passing a psychological and medical exam.

**PSYCHOLOGICAL SCREENING AND MEDICAL EXAMINATION**

Each applicant receiving a conditional job offer is required to undergo a psychological screening. These psychological tests are scored, rated and used to evaluate applicants’ mental and emotional ability to perform police work.

Applicants are also required to undergo an extensive medical examination to ensure their physical condition and ability to perform the duties and function required of this profession.

If an applicant is determined to be “not qualified,” the applicant will be notified that they have been removed from the hiring process. The psychological screening and medical examination will be conducted by the City’s designated health professional.

**OFFER OF EMPLOYMENT**

Applicants who successfully pass the psychological screening and medical examination will immediately be hired or be placed on an eligibility list. If hired, all applicants receive a formal written offer of employment with the City of Beverly Hills. At this point, Police Academy start date for entry-level applicants will be determined. Lateral applicants will be scheduled to begin field training.
