2019 Consumer Confidence Report

(Water Quality Report)

Public Works Commission Meeting
July 9, 2020
In 1996, Congress amended the Safe Drinking Water Act (SDWA), adding a requirement that water systems deliver to their customers a brief annual water quality report.

- CCR includes the water quality tested data in the drinking water from the previous calendar year
- The CCR is published annually on the City website by July 1st
- Notice of the publication is sent to customers via postcard
