ORIGINAL OWNER: Henthorn; Charles B.

ARCHITECT: Henthorn; Charles B.

BUILDER: Henthorn; Charles B.

DESCRIPTION:

325 Camden:

One of the taller "towers" in the neighborhood is the central bay of this Spanish Colonial Revival residence. Narrow vertical openings penetrate the stucco facade above the recessed arched entrance. Other window openings are also arched. The second story overhang is braced with brackets. Other features of the residence associated with the style are the porte cochere, and use of wrought iron and tile.
