PUBLIC COMMENT

Members of the public will be given the opportunity to directly address the Committee on any item listed on the agenda.

Speakers: None

1) GENERAL UPDATE ON SCHOOL CONSTRUCTION

Superintendent Kessler reported on the progress of the school construction at all four elementary schools and the high school. Horace Mann had a grand re-opening with their notable purple turf on the field.

2) JOINT POWERS AGREEMENT(JPA) DISCUSSION/AMBASSADORS DISCUSSION

Discussion took place regarding the Ambassadors and their potential duties within the schools. The school district is still discussing their possible help with union officials. It was suggested that the Ambassadors approach and check weekend patrons using the sports fields. With regard to field rules, it was proposed that they are publicized in city publications and/or a city newsletter. A conversation about access to facilities took place with a future meeting topic to include updated signage on the fields.

3) SCHOOL LIAISON OFFICER (SLO) UPDATE

Police representatives reported that traffic enforcement is being done at all school sites. School Liaison Officers have identified educational topics for the school year including anti-bullying, internet safety and passcodes, narcotics awareness and prevention.
