To: City Council Liaison / Next Beverly Hills Committee

From: Gabriella Yap, Secretary of the City Council Liaison / Next Beverly Hills Committee

Subject: A RESOLUTION OF THE CITY COUNCIL LIAISON / NEXT BEVERLY HILLS COMMITTEE OF THE CITY OF BEVERLY HILLS AUTHORIZING PUBLIC MEETINGS TO BE HELD VIA TELECONFERENCING PURSUANT TO GOVERNMENT CODE SECTION 54953(e) AND MAKING FINDINGS AND DETERMINATIONS REGARDING THE SAME

Attachments: 1. Proposed resolution

RECOMMENDATION

Staff and the City Attorney's office recommend that the City Council Liaison / Next Beverly Hills Committee adopt a resolution making the following findings so that meetings of the City Council Liaison / Next Beverly Hills Committee will be subject to the special Brown Act requirements for teleconference meetings: (1) the City Council Liaison / Next Beverly Hills Committee has reconsidered the circumstances of the COVID-19 state of emergency; (2) the state of emergency continues to directly impact the ability of the members to meet safely in person; and (3) state or local officials continue to impose or recommend measures to promote social distancing.

FISCAL IMPACT

The proposed resolution allowing the City Council Liaison / Next Beverly Hills Committee greater flexibility to conduct teleconference meetings is unlikely to cause a greater fiscal impact to the City as the City Council Liaison / Next Beverly Hills Committee has been conducting such teleconference meetings for over a year.

INTRODUCTION

Governor Newsom recently signed new legislation (AB 361) allowing the City Council Liaison / Next Beverly Hills Committee to continue virtual meetings during the COVID-19 declared emergency subject to certain conditions. These special requirements give the City greater flexibility to conduct teleconference meetings when there is a declared state of emergency and either social distancing is mandated or recommended, or an in-person meeting would present imminent risks to the health and safety of attendees.

BACKGROUND

On March 4, 2020, Governor Newsom proclaimed a state of emergency to exist in California due to the spread of COVID-19. The Governor subsequently issued numerous executive orders suspending or modifying state laws to facilitate the response to the emergency. Among other things, these executive orders superseded certain Brown Act requirements and established special rules to give local public agencies greater flexibility to conduct teleconference meetings. Those special rules expired on September 30, 2021.

On September 16, 2021, in anticipation of then-imminent expiration of his special rules for teleconference meetings, the Governor signed AB 361. In key part, this bill amends the Brown Act to establish special requirements for teleconference meetings if a legislative body of a local public agency holds a meeting during a proclaimed state of emergency and either state or local officials have imposed or recommended measures to promote social distancing, or the body determines, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

AB 361 builds upon Executive Order (“EO”) N-29-20, issued by the Governor on March 17, 2020, which relaxed the teleconferencing requirements of the Brown Act to facilitate virtual meetings during the COVID-19 declared emergency. EO N-29-20’s provisions concerning public meetings applied through September 30, 2021.

AB 361 authorizes local agencies to continue meeting remotely without following the Brown Act’s standard teleconferencing provisions if the meeting is held during a state of emergency proclaimed by the Governor and either of the following applies: (1) state or local officials have imposed or recommended measures to promote social distancing; or (2) the agency has already determined or is determining whether, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

EO N-29-20 required legislative bodies to make remote public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body, and to make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Brown Act. AB 361 adds new procedures and clarifies the requirements for conducting remote meetings as follows:

- *Public Comment Opportunities in Real Time:* A legislative body that meets remotely pursuant to AB 361 must allow members of the public to access the

meeting via a call-in option or an internet-based service option, and the agenda for the remote meeting must provide an opportunity for members of the public to directly address the body in real time. Although the agency may still ask for public comments to be submitted in advance, the agency cannot require public comments to be submitted in advance of the meeting. If an agency does not provide a timed public comment period, but takes public comment separately on each agenda item, it must allow a reasonable amount of time per agenda item to allow members of the public the opportunity to provide public comment, including time to “be recognized for the purpose of providing public comment.”

- ***No Action During Disruptions:*** In the event of a disruption that prevents the local agency from broadcasting the remote meeting, or in the event of a disruption within the local agency’s control that prevents members of the public from offering public comments using the call-in option or internet-based service option, AB 361 prohibits the legislative body from taking any further action on items appearing on the meeting agenda until public access to the meeting via the call-in or internet-based options is restored.
- ***Periodic Findings:*** To continue meeting remotely pursuant to AB 361, an agency must make periodic findings that: (1) the body has reconsidered the circumstances of the declared emergency; and (2) the emergency impacts the ability of the body’s members to meet safely in person, or state or local officials continue to impose or recommend measures to promote social distancing. These findings should be made not later than 30 days after teleconferencing for the first time pursuant to AB 361, and every 30 days thereafter.

DISCUSSION

To continue to hold meetings under these special teleconferencing requirements, the City Council Liaison / Next Beverly Hills Committee needs to make two findings pursuant to Government Code Section 54953(e)(3). First, there must be a declared state of emergency and the City Council Liaison / Next Beverly Hills Committee must find that it has reconsidered the circumstances of such emergency. Second, the City Council Liaison / Next Beverly Hills Committee must find that such emergency continues to directly impact the ability of the City Council Liaison / Next Beverly Hills Committee’s members to meet in person. Alternatively, for the second finding, the City Council Liaison / Next Beverly Hills Committee must find that state or local officials continue to impose or recommend social distancing measures. These findings must be made within 30 days after the City Council Liaison / Next Beverly Hills Committee teleconferences for the first time under AB 361 and every 30 days thereafter.

The declared emergency is still in effect. Furthermore, the State of California and the County of Los Angeles have recommended measures to promote social distancing. The Centers for Disease Control and Prevention continue to advise that COVID-19 spreads more easily indoors than outdoors and that people are more likely to be exposed to COVID-19 when they are closer than 6 feet apart from others for longer periods of time. Additionally, the Los Angeles County Department of Public Health still encourages people at risk for severe illness or death from COVID-19 to take protective measures such as social distancing and, for those not yet fully vaccinated, to physically distance from others

Meeting Date: October 21, 2021

whose vaccination status is unknown. The County Health Department also continues to recommend that employers take steps to support physical distancing.

Please note that AB 361 applies to all legislative bodies. Therefore, Commissions and standing committees will need to also comply with the requirements of AB 361.
