INTRODUCTION

This report transmits information on the proposed annual Holiday Lighting ceremony, holiday programming and holiday décor for Rodeo Drive from the Rodeo Drive Committee (RDC) to the Beverly Hills City Council Liaison / Rodeo Drive / Special Events / Holiday Program Committee (Mayor Gold and Councilmember Bosse).

DISCUSSION

The development, execution, and promotion of a cohesive holiday program is a key goal of the City Council and its partner organizations, including the Beverly Hills Chamber of Commerce (Chamber), the Beverly Hills Conference and Visitors Bureau (CVB), and RDC. Each year the City sponsors a signature holiday program designed to celebrate the season and attract visitors from around the region to visit, shop and dine in Beverly Hills.

In coordination with the City, CVB, and Chamber, the RDC will host the City’s annual Holiday Lighting Ceremony on Thursday, November 15, 2018. Additionally, the RDC will provide holiday décor and programming on Friday and Saturday evenings during the winter shopping season (November 16 – December 22, 2018) for Rodeo Drive.

On September 12, 2018, the RDC presented a proposal for Winter BOLD 2018 to the Beverly Hills City Council Liaison / Rodeo Drive / Special Events / Holiday Program Committee (Liaisons Mayor Gold and Councilmember Bosse) for review. The Liaisons provided input on the proposed programming to the RDC. Since September 12, the RDC has worked closely with the City to finalize the details for the Holiday Lighting Ceremony as well as the holiday décor and programming for Rodeo Drive.

The RDC is proposing a variety of elements for this year’s Holiday Lighting Ceremony including:

- Live musical performance
- Champagne garden
- Elevated food trucks
- Holiday lighting unveiling
- Fireworks show

Additionally, the RDC is proposing the following holiday décor and programming for Rodeo Drive:

- Creative banner designs
- Wall mural
- Median décor and lighting designs
- Holiday photo activation
- Rodeo Drive digital experience with augmented reality
- Live piano ballerina moment
- California snowball installations
- Live fashion art
- Live ice sculpting

The proposed programming will occur from November 16, 2018 through December 22, 2018 from 5 p.m. to 8 p.m. on Friday and Saturday evenings.

**FISCAL IMPACT**

In July 2018, the City Council approved the annual agreement between the City and RDC for marketing and special events for a total of $2,117,500. This amount includes $1,187,400: for the Holiday Lighting Celebration; Winter BOLD 2018 holiday programming and décor for Rodeo Drive; and Holiday Interactive Photo Activation. No further allocation is requested at this time.

**RECOMMENDATION**

This report is provided to the City Council Liaisons for review and direction.

PROGRAMMING
Programming Strategy

Building on the successes seen with BOLD Summer programming, we focused on creating BOLD Holiday programming that is digitally shareable, impactful and buzzworthy. All programming is new, fresh and will position Rodeo Drive as THE place to be during the Holiday Season.

Programming will run every Friday and Saturday nights, 5pm-8pm from November 16th - Dec 22nd.
LIVE PIANO BALLERINA MOMENT

Live, festive music playing throughout the streets of Rodeo Drive will be complemented by a gracefully dancing ballerina on top of a rigged piano. An elegant display for guests to not only admire but also share socially. Placed inside one of the K-Rail inset.
CALIFORNIA SNOWBALL

These larger than life California Snowball installations will allow guests to jump, play and interact with our version of a west coast snowball. A total of four oversized snow balls to be placed on Rodeo for guests to interact with.
LIVE FASHION ART

Don’t blink! This acro, high fashion stunt will leave guests in awe as a painted human body morphs into a familiar looking shoe. Four platforms will be illuminated within different k-rail insets down Rodeo Drive, and the painted bodies will roam the street, stopping at each platform to morph into shape for up to fifteen minutes.

Watch Video Here: https://www.youtube.com/watch?v=RmFPMoCUA4o
LIVE ICE SCULPTING

Striving to encapsulate the holiday feeling in an elevated, live ice sculpting performance. The approved design will be prepared prior to arriving onsite, and the sculptor will add finishing touches with noise sensitive tools to unveil the true shape in real time in front of guests.
RODEO WINTER LOUNGE

By taking over one of the K-Rail seating areas, we create an elevated lounge styled with BOLD accents and a BOLD Holidays backdrop, where guests can purchase and enjoy a hot cup of coffee // hot chocolate while taking in the excitement of Rodeo Drive. Warm beverages will be served by a local artisan vendor in a BOLD branded sleeve featuring #BOLDBH. Lounge area can accommodate up to 15.
GET GIPHY WITH IT

Up to four giphy stations will be wrapped in vinyl to match our banner design and will be placed on Rodeo Drive. Guests will walk up to this user friendly bot to get a commemorative photo on the street that they can share with their entire social network!

*Animated file sent as separate document link
PEACE WALL | Design, 12’ W x 8’ H

An outline of the word “PEACE” will be printed onto a backdrop. Guests are invited to write the word peace in their language and attach it to the wall, which will fill in the dimensional word PEACE in a beautiful colorful collage. Languages will be tallied at the end of the weekend so that we can track where Rodeo Drive guests are visiting from.
ENHANCED AUDIO

Upgraded audio system in the median will provide a premium sound experience for all guests on Rodeo Drive. Audio system will feature a playlist curated with a mix of new and classic music and feature music with Christmas and Hanukkah themes for everyone to enjoy. Enhanced audio will be present throughout the entire six week campaign.
