	Theft – Petty (From Vehicle)	Entry into a motor vehicle, without force, where the property stolen is less than \$950.
	Burglary – From a Motor Vehicle	Forced entry into a locked motor vehicle with the intent to commit theft.

BEVERLY HILLS POLICE DEPARTMENT

SUMMARY FOR END OF YEAR REPORT

Crime Summary:

In 2019, overall crime decreased by over 14%; meanwhile, the department made over 2,000 arrests which resulted in a 7% increase in arrests made. Most significantly, there is a -49% decrease in our Residential Burglaries. This was 133 less Residential Burglaries in 2019. This is attributed to a strategic focus on crime reduction and the Geographical Policing model, data-driven and predictive policing deployments and great proactive police work across the department.

During 2019, there was a significant decrease in Sexual Assaults. Specifically, Rapes were down 50% from the previous year (6 less). The other related crimes that contributed to the total crime decrease were Motor Vehicle Thefts (-36%) and Burglary/Thefts from Motor Vehicles (-9%). However, during 2019, there was a slight increase in violent crimes (2%). The small increase in violent crimes were mainly attributed to an uptick in Robberies.

In 2019, we saw an increase in Robberies when compared to the previous year (2018). This included both Street and Commercial Robberies. However, we made arrests in 24 out of the 52 Robberies for an arrest rate of 46% and a clearance rate of 40%. These Robberies were solved through the use of technology, foot patrols, surveillance, and undercover operations by our Crime Impact Team and collaboration with our business partners.

Crime Information and Prevention:

-) In early 2019, the department launched an interactive crime mapping website which allows users to view real time crime information in Beverly Hills by selecting from a variety of crime types and timeframes for their search. Visit <https://gis.beverlyhills.org/VBH/CrimeMap/>
-) During mid-year 2019, a new mobile app was launched as a service to the community. The new app is an innovative approach for Beverly Hills Citizens, businesses and visitors to receive important, timely alerts and notifications from our Police Department.
-) Crime prevention flyers were placed in our local newspapers and posted on the department's social media profiles.
-) Throughout 2019, the department deployed multiple forms of technology, bait bicycles and decoy police vehicles as force multipliers to making arrests and reducing overall crime.

Significant Accomplishments:

-) In December 2019, a high-profile arrest was made swiftly in connection with the vandalism that took place at the Nessah Synagogue.
-) During mid-year 2019, with the partnership of the Detective Bureau and our Crime Impact Team, two suspects were arrested in connection to a series of stolen headlamps from high-end vehicles within the city of Beverly Hills.
-) The Patrol Division continued to make daily proactive arrests in areas identified as "hot spots" by our Crime Analysis Unit and Geographical Policing Lieutenants.

BEVERLY HILLS POLICE DEPARTMENT

SUMMARY FOR END OF YEAR REPORT

Geographical Policing Model:

-) Lt. Maycott and Lt. Withers deployed successful strategies that resulted in 47 less vehicle burglaries.
-) The Department met with numerous community and business owners to seek input on how to further reduce crime and increase connectivity within our total population served.
-) The Geographical Policing team worked closely with our Crime Analyst for data driven and predictive policing deployments.
-) The GP Team developed and implemented a bi-monthly Geographical Policing meeting to report back to our Command Staff on crime trends, community connectivity and resource needs.

Traffic Deployments:

-) During 2019, several Office of Traffic Safety DUI checkpoints were conducted by the Traffic Bureau. They occurred during St. Patrick's Day (March 17th), Cinco de Mayo (May 5th) and August 16th. A total of 4,344 cars passed through the checkpoints and 1,036 were screened for driving impairment.
-) Other operations conducted by the Traffic Bureau included: six DUI saturations, 19 Primary Collision Factor Traffic Operations, 10 Pedestrian & Bicycle Operations and one distracted driver traffic operation.
-) The Traffic Unit focused heavily on speeding and other traffic violations along Loma Vista and Coldwater Canyon.
-) The Traffic Unit partnered with the BHUSD and implemented a successful traffic control plan around our BHUSD schools.
-) The Traffic Unit has actively monitored the Red Light Camera system to examine ways to be more effective and efficient with our camera placements as we request for bids in 2020.
-) Our Traffic Control Officers wrote over 71,000 parking citations in 2019. They closed the year with over 10,000 tickets in December 2019 and are currently trending to exceed the fiscal year 19/20 estimate of 90,000.
