

July 2019,

Greetings,

Hope everyone is well.

This is our special earthquake edition.....

The earthquakes that were felt over the 4th of July holiday serve as a reminder to know what to do during an earthquake as well as having a plan in place for what to do after the shaking stops.

Included with this newsletter are helpful brochures that contain valuable information on how best to deal with earthquakes.

The next round of Community CERT classes are scheduled for November and the Business CERT class for October. The new flyers are available on our website at www.beverlyhills.org/certsignup so please let your friends and neighbors know!

Stay safe and see you soon!

Thank you,

Chris Heyer

Deputy Fire Marshal
