**Beverly Hills Joins National Water Conservation Challenge**

*Residents are encouraged to save water throughout the month of April and beyond*

**Beverly Hills, CA (April 1, 2019)** – Beverly Hills Mayor John Mirisch has joined Mayors across the country in asking residents to make a long-term commitment to manage water resources more wisely by taking part in the Seventh Annual 'Wyland National Mayor's Challenge for Water Conservation,' April 1-30.

[Video Message from Mayor Mirisch](#)

The Wyland Foundation is a non-profit organization dedicated to promoting, protecting, and preserving the world's oceans, waterways and marine life.

Although the emergency drought is over, the Stage C water restrictions in place in Beverly Hills urge residents to:

- Continue to conserve in order to achieve 20% water reduction.
- Prevent sprinkler runoff and adhere to the City's watering schedules.
- Report and correct leaks as soon as possible.

For more information on the challenge, please visit [mywaterpledge.com](http://mywaterpledge.com) and to learn more about the City's water conservation visit [bhsaves.org](http://bhsaves.org).
