

October 2018,

Greetings,

Hope everyone is doing fine. I would like to fill you in on the latest CERT news.

On October 18, we had our annual Business CERT program in which 24 students graduated (Pictures attached)

On October 22, the Health and Safety Commission recognized our CERT volunteers, Les Bronte, Pam Meadow, Pete Landau, David Seidel and Alex Kay for all their efforts in making the CERT program what it is today. Congratulations!

Our Community CERT program is set to kick off on November 1 and we have 14 confirmed registrants.

November is upon us already and that means the holidays are right around the corner. I have attached holiday safety flyers for you to review and share.

There is also a Holiday Safety Quiz to keep you sharp!

Our next Refresher is scheduled for December 19 and we are taking you back to the beginning with the "Intro" class.

I will send out a reminder email.

Hope to see you in December.

Chris Heyer

Deputy Fire Marshal
