REGIONAL STAY-AT-HOME ORDER LIFTED IN LA COUNTY

Select Businesses May Reopen in LA County with Modifications In Place

Beverly Hills, CA – Today, California Governor Gavin Newsom announced the State's Regional Stay-at-Home Order will be lifted across all counties, including Los Angeles County effective immediately. The update comes as a result of a four-week projection by the California Department of Public Health (CPDH) that indicates Intensive Care Unit (ICU) capacity will be above the minimum threshold of 15% required for counties to exit the Order.

The Southern California region which includes Los Angeles County is projected to reach an ICU capacity of 33.3% by February 21, 2021.

The Los Angeles County Department of Public Health has revised its current Health Officer Order to align with the State's Order.

According to the purple tier, the following may reopen with modifications in place and posted appendices, effective immediately:

- Indoor operations for personal care facilities (hair salons, barbershops and nail salons) with a maximum occupancy of 25%;
- Indoor retail operations with a maximum occupancy of 25%;
- Indoor malls with a maximum occupancy of 25%;
- Outdoor operations for family entertainment centers with a maximum occupancy of 50%;
- Outdoor operations for museums, zoos and aquariums;
- Outdoor operations for cardrooms with a maximum occupancy of 50%;
- Outdoor recreational activity;
- Tourism and individual travel allowed at hotels and motels.

The following can reopen on Friday, January 29, 2021

- Outdoor in-person dining operations for restaurants

This Order impacts businesses in the City of Beverly Hills that fall within these categories. When the updated Order and appendix protocols are available, they can be viewed at beverlyhills.org/coronavirus.
