Meeting Date: October 14, 2021

To: City Council Liaison / Branding and Licensing Committee

From: Gabriella Yap, Secretary of the City Council Liaison / Branding and Licensing Committee

Subject: A RESOLUTION OF THE CITY COUNCIL LIAISON / BRANDING AND LICENSING COMMITTEE OF THE CITY OF BEVERLY HILLS AUTHORIZING PUBLIC MEETINGS TO BE HELD VIA TELECONFERENCING PURSUANT TO GOVERNMENT CODE SECTION 54953(e) AND MAKING FINDINGS AND DETERMINATIONS REGARDING THE SAME

Attachments: 1. Proposed resolution

RECOMMENDATION

Staff and the City Attorney’s office recommend that the City Council Liaison / Branding and Licensing Committee adopt a resolution making the following findings so that meetings of the City Council Liaison / Branding and Licensing Committee will be subject to the special Brown Act requirements for teleconference meetings: (1) the City Council Liaison / Branding and Licensing Committee has reconsidered the circumstances of the COVID-19 state of emergency; (2) the state of emergency continues to directly impact the ability of the members to meet safely in person; and (3) state or local officials continue to impose or recommend measures to promote social distancing.

FISCAL IMPACT

The proposed resolution allowing the City Council Liaison / Branding and Licensing Committee greater flexibility to conduct teleconference meetings is unlikely to cause a greater fiscal impact to the City as the City Council Liaison / Branding and Licensing Committee has been conducting such teleconference meetings for over a year.
INTRODUCTION

Governor Newsom recently signed new legislation (AB 361) allowing the City Council Liaison / Branding and Licensing Committee to continue virtual meetings during the COVID-19 declared emergency subject to certain conditions. These special requirements give the City greater flexibility to conduct teleconference meetings when there is a declared state of emergency and either social distancing is mandated or recommended, or an in-person meeting would present imminent risks to the health and safety of attendees.

BACKGROUND

On March 4, 2020, Governor Newsom proclaimed a state of emergency to exist in California due to the spread of COVID-19. The Governor subsequently issued numerous executive orders suspending or modifying state laws to facilitate the response to the emergency. Among other things, these executive orders superseded certain Brown Act requirements and established special rules to give local public agencies greater flexibility to conduct teleconference meetings. Those special rules expired on September 30, 2021.

On September 16, 2021, in anticipation of then-imminent expiration of his special rules for teleconference meetings, the Governor signed AB 361. In key part, this bill amends the Brown Act to establish special requirements for teleconference meetings if a legislative body of a local public agency holds a meeting during a proclaimed state of emergency and either state or local officials have imposed or recommended measures to promote social distancing, or the body determines, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

AB 361 builds upon Executive Order ("EO") N-29-20, issued by the Governor on March 17, 2020, which relaxed the teleconferencing requirements of the Brown Act to facilitate virtual meetings during the COVID-19 declared emergency. EO N-29-20’s provisions concerning public meetings applied through September 30, 2021.

AB 361 authorizes local agencies to continue meeting remotely without following the Brown Act’s standard teleconferencing provisions if the meeting is held during a state of emergency proclaimed by the Governor and either of the following applies: (1) state or local officials have imposed or recommended measures to promote social distancing; or (2) the agency has already determined or is determining whether, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

EO N-29-20 required legislative bodies to make remote public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body, and to make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Brown Act. AB 361 adds new procedures and clarifies the requirements for conducting remote meetings as follows:
• **Public Comment Opportunities in Real Time:** A legislative body that meets remotely pursuant to AB 361 must allow members of the public to access the meeting via a call-in option or an internet-based service option, and the agenda for the remote meeting must provide an opportunity for members of the public to directly address the body in real time. Although the agency may still ask for public comments to be submitted in advance, the agency cannot require public comments to be submitted in advance of the meeting. If an agency does not provide a timed public comment period, but takes public comment separately on each agenda item, it must allow a reasonable amount of time per agenda item to allow members of the public the opportunity to provide public comment, including time to “be recognized for the purpose of providing public comment.”

• **No Action During Disruptions:** In the event of a disruption that prevents the local agency from broadcasting the remote meeting, or in the event of a disruption within the local agency’s control that prevents members of the public from offering public comments using the call-in option or internet-based service option, AB 361 prohibits the legislative body from taking any further action on items appearing on the meeting agenda until public access to the meeting via the call-in or internet-based options is restored.

• **Periodic Findings:** To continue meeting remotely pursuant to AB 361, an agency must make periodic findings that: (1) the body has reconsidered the circumstances of the declared emergency; and (2) the emergency impacts the ability of the body’s members to meet safely in person, or state or local officials continue to impose or recommend measures to promote social distancing. These findings should be made not later than 30 days after teleconferencing for the first time pursuant to AB 361, and every 30 days thereafter.

**DISCUSSION**

To continue to hold meetings under these special teleconferencing requirements, the City Council Liaison / Branding and Licensing Committee needs to make two findings pursuant to Government Code Section 54953(e)(3). First, there must be a declared state of emergency and the City Council Liaison / Branding and Licensing Committee must find that it has reconsidered the circumstances of such emergency. Second, the City Council Liaison / Branding and Licensing Committee must find that such emergency continues to directly impact the ability of the City Council Liaison / Branding and Licensing Committee’s members to meet in person. Alternatively, for the second finding, the City Council Liaison / Branding and Licensing Committee must find that state or local officials continue to impose or recommend social distancing measures. These findings must be made within 30 days after the City Council Liaison / Branding and Licensing Committee teleconferences for the first time under AB 361 and every 30 days thereafter.

The declared emergency is still in effect. Furthermore, the State of California and the County of Los Angeles have recommended measures to promote social distancing. The Centers for Disease Control and Prevention continue to advise that COVID-19 spreads more easily indoors than outdoors and that people are more likely to be exposed to COVID-19 when they are closer than 6 feet apart from others for longer periods of time. Additionally, the Los Angeles County Department of Public Health still encourages
people at risk for severe illness of death from COVID-19 to take protective measures such as social distancing and, for those not yet fully vaccinated, to physically distance from others whose vaccination status is unknown. The County Health Department also continues to recommend that employers take steps to support physical distancing.

Please note that AB 361 applies to all legislative bodies. Therefore, Commissions and standing committees will need to also comply with the requirements of AB 361.

Item 3
INTRODUCTION
The City periodically receives inquiries about the use of the Beverly Hills Shield. On August 4, 2020, the City Council approved Atelier Luxury Group dba Amiri (“Amiri”) to feature the Beverly Hills Shield in front of the Amiri logo in either pink, black or white print for a series of apparel items. On February 16, 2021, the City Council approved Amiri to expand the use to feature the Beverly Hills Shield in a rainbow color scheme in front of the Amiri logo for a series of apparel items. On September 14, 2021, the City Council approved Amiri to expand the use further to include a purple and gold color scheme. The current license agreement with Amiri expires on December 31, 2021. This item will review a request for an extension of the license agreement with Amiri.

DISCUSSION
Staff receives inquiries from individuals and businesses looking to use the Beverly Hills shield on products and merchandise. As requests are received, they are referred to the City’s branding and licensing consultant CMG Worldwide. The City has contracted with CMG Worldwide since 2013.

Amiri specializes in high end luxury clothing reminiscent of the California rock and roll scene. Amiri opened their Rodeo Drive flagship store in Fall 2020. Items with the shield design are featured in-store and in the online shop.

Amiri x Beverly Hills
Amiri is interested in continuing to use the Beverly Hills Shield on a series of apparel items. The Beverly Hills Shield would be featured on a series (but not limited to) of tees, hats, sweatshirts, sweat shorts, and sweatpants. Previously, Amiri received approval to feature the Beverly Hills Shield in front of the Amiri logo in pink, black, white, rainbow, as well as a purple and gold color scheme. The previous license agreement covered the term from September 1, 2020 through December 31, 2021.
The current distribution plan features Amiri’s flagship store on Rodeo Drive and their online store. The items proposed for use of the Beverly Hills Shield in the upcoming license agreement extension include the following:

- Hat (MSRP $320)
- Short Sleeve Tee (MSRP $390)
- Long Sleeve Tee (MSRP $450)
- Sweatshirt (MSRP $690)
- Hoodie (MSRP $790)
- Sweatpants (MSRP $690)
- Sweatshort (MSRP $690)

At this time, Amiri is requesting an extension of the license agreement with the following deal points for consideration:

**Existing Deal Points in Agreement:**
Term: 1 year with option to renew each year (1/1/22 – 12/31/22)
Territory: Amiri flagship store Rodeo Drive and online store worldwide
Royalty: 8% of net sales paid quarterly 30 days after the end of each quarter
Retail Price: $320 - $790

Attachment 1 to this Liaison Report provides larger images of the proposed apparel items as well as the extension proposal. Additionally, attachment 2 to this Liaison Report is the current existing license agreement with Amiri.

**FISCAL IMPACT**
There is no direct fiscal impact of approving an extension of the license agreement; however, additional sales from an extension will result in additional royalties paid to the City of Beverly Hills.

**RECOMMENDATION**
It is recommended that the City Council Branding and Licensing Committee provide direction regarding the request for an extension of the license agreement with Amiri.

(“CMG”), located at 9229 Sunset Boulevard Penthouse 950, West Hollywood, California 90069, and Mike Amiri on behalf of Amiri (“Licensee”), located at 1330 Channing Street, Los Angeles, California 90021. 1. **Grant of License.**
   (a) Subject to the limitations set forth in Paragraph 1(c) below and the other conditions of this Agreement, Licensor hereby grants to Licensee the non-exclusive right to use the Property in connection with the manufacture, promotion, distribution, and sale of t-shirts, long sleeved shirts, sweatshirts, hats, and other apparel items subject to written pre-approval by Licensor (the “Goods”) from the period beginning on September 1, 2020 and ending on December 31, 2021 (the “Term”).
   (b) Market and Territory: The license hereby granted extends to the Amiri flagship retail store in Beverly Hills and the Amiri online webpage only (the “Territory”).
   (c) Limitations on License: No license is granted hereunder for the use of the Property for any purpose other than upon or in connection with the Goods. No license is granted hereunder for the manufacture, sale, or distribution of Goods to be used as Premiums (as defined hereafter), for publicity purposes, as giveaways, or to be disposed of under similar methods of merchandising. In the event Licensee desires to sell Goods for such purposes, Licensee acknowledges and agrees that it must first seek and obtain a separate license from Licensor, and that the user thereof must also obtain a separate license from Licensor for such use of Goods. Furthermore, Licensee specifically agrees and acknowledges that making, using, and/or selling any unauthorized goods, articles, and/or promotional materials which use any aspect of the Property, including any variety of elements of Property’s likeness, is an infringement of the Property that may result in serious damages, dilution, and tarnishment to the integrity, distinctiveness, and value of the Property, and will constitute material breach of this Agreement. Licensee shall neither contest nor object to immediate termination of this Agreement, and/or the injunctive relief against manufacture, use, and/or sales of any such goods, articles, and/or promotional materials. “Premium” shall mean any article used for the purpose of: increasing the sale of another item; promoting or publicizing any product or service; fundraising or as giveaways; to motivate a sales force, merchant, consumer, or any other person to perform a specific act.

2. **Royalty & Guarantee.**
   (a) Licensee agrees to pay Ten Thousand United States Dollars ($10,000 USD), net of all fees and taxes, as a nonrefundable advance recoupable against royalties earned through the Term and payable immediately upon execution of this Agreement.
   (b) Licensee shall recover, within the Term, the advance royalty payment by offsetting royalties earned against said advance until the advance is recouped and shall thereafter make the royalty payments to Licensor as set forth herein.
   (c) Licensee agrees to pay royalties in the amount of eight percent (8%) of Licensee’s “Actual Retail Price” (as defined hereafter) for the Goods covered by this Agreement in United States Dollars computed upon the total number of units each Good shipped or otherwise distributed by Licensee or any of its affiliated, associated (including reps and/or distributors) or subsidiary companies (“Related Companies”), without deductions for bad debt, cost of shipping, cost of packaging, advertising or promotional expenses, or other costs. A deduction of not more than five percent (5%) may be taken for actual certified returns. The term "Actual Retail Price" as used herein shall mean the actual invoiced price charged by Licensee, or by any of its Related Companies, directly to customers for sale of the Goods described in Paragraph 1 hereof. Royalties at the stated rate shall be due and payable on all units of Goods shipped or otherwise distributed by Licensee to its Related Companies or to a third party or to Licensee from its Related Companies and irrespective of the actual price charged for such distributed Goods.
3. **Payment & Reporting.** Not later than the thirtieth (30th) day after the close of every calendar quarter during the Term, and thereafter so long as any sales are made by the Licensee pursuant to this Agreement, Licensee shall furnish to Licensor a full and complete statement showing the number of Goods which have been sold by Licensee and the selling price thereof during the preceding month. An item will be considered to be sold when it is ordered and then invoiced or shipped, whichever is sooner, Licensee shall pay to the Licensor, % CMG Worldwide, Inc., via wire transfer to a bank account specified by Licensor, such royalties as the statement indicates are due to Licensor. All late payments shall be subject to a one percent (1%) per month late charge on all such outstanding amounts (i.e. a 12% annual rate).

Licensor agrees that it will not at any time do or cause to be done any act or thing impairing or tending to impair any of Licensor’s rights in or to the Property. Licensee acknowledges that if the Goods manufactured and sold by it are of inferior quality in material and workmanship, the substantial goodwill which the Licensor has built up and now possesses in the Property will be impaired. Accordingly, Licensee warrants that the Goods will be of high standard and of such appearance and quality as shall be reasonably adequate and suited to their exploitation and best advantage. Licensee shall submit to Licensor finished samples of all Goods to be manufactured, together with its cartons and containers, including packaging and wrapping material, which shall be approved in writing by the Licensor before the Goods are advertised, distributed, or sold. After samples of the Goods have been approved pursuant to this paragraph, Licensee shall not depart therefrom without written consent from Licensor. In the event there is a departure from the approved sample of the Goods made or distributed by Licensee, or in the event there is an occurrence connected with the Goods which reflect unfavorably upon Licensor, the Licensor shall have the right, in the reasonable exercise of its sole discretion, to withdraw its approval of such Goods, at which time this Agreement shall automatically terminate with respect to such Goods. Thereupon, Licensee shall cease the use of the Property in the sale, advertising, distribution, or use of such Goods immediately upon notice from Licensor, and within ten (10) days thereafter, shall pay all amounts due to Licensor hereunder. If there are other Goods under this Agreement not covered or affected by the foregoing two sentences of this paragraph, this Agreement shall remain in full force and effect as to those other Goods.

5. **Advertising.** All advertisements and promotional material which Licensee intends to use to promote Goods shall be submitted to Licensor for its written approval prior to publication. Licensor shall have fourteen (14) days from the date of receipt of said material in which to approve or disapprove it, such approval not to be unreasonably withheld.

Licensor, through its authorized representative, shall have the right to examine such books of account and records and other documents and material in Licensee’s possession or under its control insofar as they relate to the manufacture and sale of Goods. Licensee shall have free and full access thereto at any reasonable hour of the day during which the Licensee’s offices are open and in any reasonable manner. In the event an examination of Licensee’s books and/or records reveals a deficiency in royalties paid to Licensor of more than Three Hundred United States Dollars ($300 USD), Licensee shall pay all expenses related to the performance of the examination and shall immediately pay the deficient amount to Licensor.
   (b) Licensee shall ensure that all invoices for the sale of the Goods will include the quantity and description of each of the Goods itemized by version, style, and with the name of Property within the invoice item description.
   (c) For audit purposes, Licensee must provide the auditor the detail of each period’s reported net sales and returns, to the invoice/credit memo level, in Excel format. Each sale or return must detail the license number, invoice/credit memo number, date, customer name, ship to address, product number and description, gross sale and discounts, FOB point of shipment, units sold/returned, and royalty rate.

Licensee acknowledges and agrees that any goodwill generated by Licensee’s use of the Property shall inure exclusively to the benefit of Licensor. Licensee shall not manufacture, market, or sell any confusingly similar unlicensed products that are intended to, or that consumers would reasonably believe to, trade off the goodwill of the Property licensed hereunder. Licensee shall not, during the Term of the Agreement, or at any time thereafter, dispute or contest, directly or indirectly, Licensor’s ownership of the Property, Licensor’s exclusive right (subject to valid licenses granted by Licensor) to use the Property, the validity of any trademark registrations pertaining to the Property, or the Licensor’s ownership thereof, nor shall the Licensee assist or aid others in doing so. At Licensor’s request, Licensee shall cooperate with Licensor in preventing or stopping any
