**Traffic Advisory: Water Main Replacement Project on
Coldwater Canyon Drive through Spring 2024**

Beverly Hills, CA (March 22, 2023) – The City of Beverly Hills’ contractor has begun construction on Coldwater Canyon Drive to replace aging pipeline and install new pipeline.

Through early 2024, work will take place 8 a.m. – 6 p.m. Monday through Friday (excluding holidays).

Coldwater Canyon Drive from Rexford Drive to Monte Cielo Drive will have only one lane open in each direction; however, in certain locations, only one lane will be available for both directions.

Motorists are urged to use alternate routes, be courteous and yield to those leaving their driveways and homes in the impacted area.

Replacing these pipelines is critical to maintaining the City’s water infrastructure as they were installed in the 1920s to 1960s and have been the site of several water main breaks in recent years.

For additional information on the Water Main Replacement Project and timeline, please contact Public Works Customer Service at (310) 285-2467 or email askpw@beverlyhills.org.
