

## Beverly Hills Fire Department Presents:

### **Stop - Drop - Roll**

The Beverly Hills Fire Department wants to make sure that everyone is aware on what to do in case your clothes catch on fire. Always remember to stay calm and do not run as that will spread the fire faster and can cause more serious burns especially entering your airway.

By following these 3 simple steps you can put the fire out!

**Stop** - Where you are at! Don't Run!

**Drop** - To the floor and cover your face with your hands (protecting mouth, nose and eyes.)

**Roll** - Side to side or back and forth until flames are out.

**Stop.**

**Drop.**

**Roll.**
