

May 2019,

Greetings,

Hope everyone is well.

On May 8, we held our Med II refresher.

FF/PM Jake Morrow instructed Medical II. CERT Instructor's Pam Meadow and Pete Landau assisted.

Once again, the class was well received and there were many compliments for Jake on a job well done!

Stay tuned for a future refresher date. As usual, you will receive an email once the date has been determined.

There will be a free, Stop the Bleed class on June 27 brought to you by a partnership between BHFD, Cedar Sinai and BHCPR. This training is open to the public. You may register for the class at:

<https://www.eventbrite.com/e/stop-the-bleed-class-tickets-61649510345>

A special thanks to our CERT volunteers who helped spread the word about our upcoming CERT classes and Stop the Bleed training at both our Fire Service Day and Beverly Hills Art Show!!

The next round of Community CERT classes are scheduled for November and the Business CERT class for October. The new flyers are available on our website at www.beverlyhills.org/certsignup so please let your friends and neighbors know!

As summer approaches, I thought it was fitting to include attachments on heat illness prevention and drowning prevention.

Stay safe and see you soon!

Thank you,

Chris Heyer

Deputy Fire Marshal
