II. Purpose of Citizen Advisory Bodies

Productive citizen boards, committees, and commissions can provide the insights and energy essential for creating better communities. Members of these groups help bring about important decisions that can shape the future of the City, often using their impressive talents and expertise. As a City commissioner, you provide a critical link to the public, and help to ensure that City policies reflect community values.

Following are a few ways in which citizen commissions serve the democratic process in Beverly Hills:

- Hosting public meetings and conducting outreach to determine how the community feels about certain issues
- Recommending policies and procedures related to their respective fields to the City Council
- Serving as intermediary between the public, City staff and the City Council by providing information, explanations and support for different points of view

Traffic and Parking Commission

- Five members, with staff support from the Public Works Services and Transportation departments
- Advises on issues of valet and taxi operations
- Advises on ways to improve general traffic conditions in the City

Subcommittee:

Commissions may form subcommittees to study issues in detail or when outside expertise is needed. All subcommittee work comes back to the full commission for review in a public meeting. Subcommittees may not be composed of a quorum or board members. Meetings for continuing or “standing” subcommittees are considered public meetings and must have posted agendas in order to comply with the Brown Act.

III. Background

In response to concerns about taxi services in Beverly Hills, staff was directed to examine the comprehensive taxicab market and service levels provided to residents and visitors in the City. Nelson/Nygaard Consulting Associates was selected and conducted a comprehensive study of the City's taxi market and provided organizational and operational recommendations.

The baseline goals and objectives of the City's regulatory system were established as follows:

- Protect the Health, Welfare and Safety of taxicab users
- Maintain the current taxicab rates marginally below the region and surrounding jurisdictions
- Hold taxicab companies accountable for vehicles owner/operator actions
- Improve technology, including dispatch, ordering and payment options
- Improve customer service levels (equipment functionality, proper rate & route applications, and customer assistance – people and cargo)
- Maintain availability and response time of taxicab service
- Maintain customer alternatives – more than one choice of service provider
- Minimize disruption to residents, business, visitors and taxicab customers

At the City Council Formal Meeting of December 2, 2014 City Council approved changes to the Beverly Hills Municipal Code (BHMC) to allow for a Taxicab Franchise System, adoption of Fees and Charges and the Taxicab Rules and Regulations Schedule of Penalties, and awarded Franchise Agreements to:

- Bell Cab Company, Incorporated (40 Taxicabs)
- Beverly Hills Transit Cooperative, Inc. (60 Taxicabs)
- Independent Taxi Owners' Associations (43 Taxicabs)
- LA Checker Cab Co-Operative, Inc. (14 Taxicabs)
- United Independent Taxi Drivers Inc. (28 Taxicabs)

RECITALS

A. Title 7, Chapter 4 of the Beverly Hills Municipal Code authorizes the City, in the exercise of its constitutional police powers, to award one or more nonexclusive franchises for the operation of taxicab services initiating within the City, and to limit such taxicab service to only those operators to whom a franchise is awarded.

B. The City has determined that considerations of public safety and consumer protection require a degree of regulation of taxicab service attainable only through the issuance of nonexclusive franchises.

C. Franchisee represents that it is a taxicab operator qualified to operate a taxicab service under and pursuant to a nonexclusive franchise.

D. Franchisee has applied for and, on the basis of its qualifications and the representations contained in its proposal, has been awarded the opportunity to enter into a nonexclusive franchise agreement for the operation of taxicabs in the City pursuant to this Agreement.

E. Franchisee proposes to operate a taxicab service in the City in full compliance with the requirements of this Agreement and the provisions of the Beverly Hills Municipal Code and all other applicable ordinances, laws, and rules and regulations, as may be amended from time to time.

NOW, THEREFORE, the parties agree as follows:

Section 1. Grant of Franchise. City hereby grants to Franchisee a non-exclusive franchise to operate ____ () taxicabs for the provision of taxicab service originating within the territorial boundaries of the City; provided however, such number of authorized taxicabs shall be automatically reduced in accordance with Section 7-4-104B of the Beverly Hills Municipal Code if the City revokes a public transportation operator's permit from a driver of Franchisee pursuant to such section.

Section 2. Term of Franchise. The term of the franchise shall be for three (3) years, commencing on April 1, 2015 and terminating on March 31, 2018, unless sooner terminated as provided herein. The City may extend the term of this Agreement in writing for an addition two-year term, and thereafter, for five additional one-year terms pursuant to the same terms and conditions of this Agreement, for a total term of up to 10 years.

Section 3. Nature of the Franchise. The rights and responsibilities of Franchisee shall include those outlines in the City's Request for Proposal #____ ("RFP") attached hereto as Exhibit A, and the Franchisee's proposal ("Proposal") attached hereto as Exhibit B, each of

which are incorporated herein by this reference. In the event of any inconsistency between the terms of the RFP or the Proposal and this Agreement, this Agreement shall govern.

Section 4. Consideration. In consideration of the rights granted hereunder, Franchisee shall pay to City an annual franchise fee as set forth by Resolution adopted by the City Council, as may be amended from time to time, payable upon Franchisee's submittal of an executed copy of this Agreement to City, and annually thereafter for each year this Agreement is in effect on the anniversary date of this Agreement.

Failure of Franchisee to timely pay the annual franchise fee shall be a material breach of this Agreement. All late payments are subject to a ten percent (10%) penalty during the first ten (10) days of the applicable contract period, increased to fifteen percent (15%) during days eleven (11) through twenty (20), and twenty percent (20%) for days twenty-one (21) and beyond. Franchisee and its drivers, coordinators, and other personnel shall, in the performance of all duties pursuant to this Agreement, conduct themselves with the highest degree of courtesy and service. Franchisee agrees to operate its vehicles in the City only when a current and valid decal or sticker has been permanently affixed to the vehicle in the appropriate location. Failure to have a current and valid decal or sticker affixed on a vehicle while operating in the City shall mean that Franchisee does not have City approval to operate said vehicle in the City, which shall constitute a material breach of this Agreement. City reserves the right to determine the frequency of and occasions when new or replacement decals or stickers may be issued.
