Re: Senator Susan Eggman's Behavioral Health Legislative Package  
SB 929, 1035, 1227, and 1238  
City of Beverly Hills – **Request for Signature**

Dear Governor Newsom,

On behalf of the City of Beverly Hills, I am pleased to express the City's **SUPPORT** on Senator Eggman's **SB 929, SB 1035, SB 1227 and SB 1238** and respectfully request your **SIGNATURE** on these measures. This legislative package will modernize California's behavioral health care system, directly linked to the state's homelessness crisis.

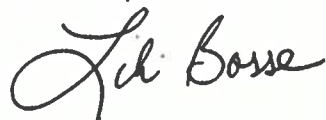

The behavioral health crisis that we see every day on our streets requires comprehensive change to our existing system and new ways of addressing this persistent and worsening challenge. Senator Eggman's legislative package includes important new tools to assist the most vulnerable among us and to help give them the dignity we all deserve. Addressing our state's homelessness crisis is an utmost priority of the City of Beverly Hills, and we feel strongly that this legislative package helps provide the support and process needed.

Specifically, Senator Eggman's bill package will improve the behavioral health system across the continuum including:

- Prevention and early intervention,
- Community support and services,
- Intersystem collaboration,
- Improving access to assisted outpatient treatment, and
- Providing increased accountability through outcome tracking.

This package of bills will make necessary improvements across the continuum of care for those needing mental health assistance and ensure people are able to receive the care they need in order to provide for their own needs, safety and dignity. For these reasons, the City of Beverly Hills respectfully requests that you take action to **SIGN SB 929, SB 1035, SB 1227 and SB 1238**. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Lili Bosse". The signature is fluid and cursive, with the first name "Lili" and last name "Bosse" clearly distinguishable.
