## Beverly Hills Town Hall Meeting

The Municipal League of Beverly Hills is a non-profit California corporation founded in 1962 by Beverly Hills residents. Their purpose is to promote good government, residential quality of life and high educational standards in the public schools. The Beverly Hills North Homeowners Association is the largest association on the west side and encourages open dialogue and discussion among all residents in the City. This month, these two community groups are hosting a Town Hall Meeting regarding development issues affecting residential neighborhoods. This meeting will be held at City Hall and is free and open to the public. The public forum will be shown live on BHTV10 and replayed throughout the month. **LIVE Tuesday March 13 at 7 pm**
