Music in the Mansion: The Helix Collective

Since 1994, Artistic Director Laura Schmieder and Music in the Mansion at Greystone Park has presented concerts featuring selected prize winning international and local artists. This month, Los Angeles-based Helix Collective performs a high energy, out-of-the-box mix of world, classical, and rock n' roll. The ensemble is at home in nightclubs and on the concert stage, from a residency at Los Angeles's Silverlake Lounge to performances for the West Michigan and Pacific Symphonies. They

have performed at the Tahoe Chamber Music Festival, the Unexpected Film & Arts Festival, the Hollywood Fringe Festival, and on the Laguna Beach Live! series. Audiophile Audition Magazine writes, Helix "has a little something for everyone: those who like their classics straight up, with a contemporary edge to it, or with populist appeal." *Tuesday June 26 at 7:00 pm*
