Rent Stabilization Program

The City of Beverly Hills Rent Stabilization Program is conducting a series of facilitated dialogue sessions in August and September at BH City Hall. The purpose of these public meetings is to share information on policy issues related to the rent stabilization ordinance. Consultant HR&A Advisors will provide their evaluation of policy issues and seek public input. The information collected by HR&A will be considered in the final report presented to City Council in October to assist in developing the

final rent stabilization ordinance. Tenants and Housing providers are encouraged to attend all three meetings as each is designed to cover specific topics for discussion. If you were unable to attend a session, tune to BHTV10 for replays of the meetings throughout the month.

Tuesday Sept. 4 at 5 pm (Aug. 26 meeting) & Monday Sept. 24 at 8 pm (Sept. 16 meeting)
