La Cienega Park Project Town Hall Meetings

Constructed in 1928, La Cienega Park was once the home of an Olympic sized swimming pool which served as the training site for the 1932 Olympians. The park and facilities have changed throughout the years to meet the growing needs of the community. The most recent additions to the Park were four years ago which included an outdoor fitness equipment area and a new snack bar. The City seeks your input on activities you might like and amenities you wish to see developed at

La Cienega Park, Tennis Center, and Recreation Complex. Town Hall meetings are being held this month to seek feedback and ideas from current park and facility users, stakeholder groups and residents. If you are unable to attend, tune in for live coverage of both meetings from La Cienega Park on Monday October 8th and Wednesday Oct. 24th beginning at 7 pm.
