Beverly Hills Forum: Beckwith & Fisher

Forty years of work on the African continent have carried Carol Beckwith and Angela Fisher across 300,000 miles and through remote corners of 45 countries in exploration of more than 200 African cultures. In the process, this team of world-renowned photographers has produced fifteen widely acclaimed books and made four films about traditional Africa. They have been granted unprecedented access to African tribal rites and rituals and continue to be honored worldwide for their powerful photographs. As an in-

repid team of explorers, they are committed to preserving sacred tribal ceremonies and African cultural traditions all too vulnerable to the trends of modernity. In this special Beverly Hills Forum presentation, Ms. Beckwith and Ms. Fisher discuss their travels and provide insight on their new book "African Twilight: Vanishing Rituals and Ceremonies." *Wednesday March 6 at 10:00 pm*
