Staff seeks recommendations regarding potential amendments to Chapters 5 and 6 of Title 4 of the City’s Municipal Code related to the relocation fee amounts in connection with the addition of a Mom and Pop reduction in relocation fee for owner occupancy. Continued from the November 3, 2021 Rent Stabilization Commission regular meeting.

Staff Presenter: Helen Morales, DPA, Deputy Director of Rent Stabilization
Public Input: Danielle Leidner-Peretz – Apartment Association of Greater Los Angeles

Prior to the Commission’s discussion, City Attorney staff member Harris advised that because the Commission has yet to define “mom and pop”, Commissioner Miller should not participate in associated discussions, as it may be determined that she is a “mom and pop” property owner.

Commissioner Miller left the virtual meeting room at 6:23 PM.

The Commission discussed the potential definition of “mom and pop”, considering the number of rental units that would define the category, and taking into account the definitions established by the cities of Los Angeles and Culver City.
Motion: MOVED by Commissioner Tryfman, SECONDED by Chair Milkowski to define “mom and pop” landlords in the City of Beverly Hills as those who own four individual units or less, regardless of the number of buildings or properties that contain such units, plus one single family home, in the City of Beverly Hills. This definition shall exclude real estate investment trusts, corporations, limited liability companies in which at least one member is, or is controlled by, a corporation, and partnerships in which at least one partner is, or is controlled by, a corporation (6-0).
