## CANDIDATE FOR CITY COUNCIL

### LILI BOSSE

Occupation: Beverly Hills  
City Councilmember

BEVERLY HILLS is a RESIDENTIAL community - with several important, smaller commercial areas. My goals for our city are straightforward - protect our residential QUALITY OF LIFE - and support our business sector - to fully ensure our future stability and security.

I've been honored to serve our city in many leadership positions - PTA and BHEF, commissions, City Council and Mayor. Our community has recognized my work ethic, accessibility, and grasp of the issues.

As Mayor, I initiated our HEALTHY CITY program - healthy people, healthy government, healthy businesses - those values guide my decisions today.

I understand the need to be creative and flexible in today's challenging environment - I listen - I respond - and I go the extra mile to get things done.

#### BOSSE PLAN 2020 - PRIORITIES

**BUDGET ACCOUNTABILITY** - facilitate new City Auditor - transparent financial and performance audits; streamline processes; reduce costs; Support business

**OPEN GOVERNMENT** - more transparency - initiate televised coverage of Council Liaison meetings

**SAFETY AND SECURITY** - expand crime prevention technology citywide; preserve emergency response time; promote CPTED Program (BHPD home visits); initiate "JUST IN CASE" program

**STRATEGIC PLANNING** - proactive focus: subway impact mitigation; upcoming developments; housing standards

**EDUCATION** - ensure essential support for public education - school safety and security

## CANDIDATE FOR CITY COUNCIL

**SIDNEY “SIMCHA” GREEN**  
Occupation: Educator

As a senior, I seek to represent the needs of the substantial senior citizen population of Beverly Hills. I shall encourage this segment of our city to share with me their concerns, and move on those requests post haste. Our city is blessed with at least five active churches, and eleven synagogues. I propose that our city council develop interfaith opportunities to encourage co-educational opportunities. Such a program would strengthen the vibrancy of all our faith-based institutions, and by extension, our city. Our Constitution has guidelines for the “separation of Church and State”, but also encourages and supports such initiatives, as represented by the phrase on our currency IN GOD WE TRUST.

In response to the majority of voters in Beverly Hills who supported Proposition 64 three years ago, I shall direct our city council to review and revise the position it has taken to limit cannabis to delivery only within the city limits. Medical marijuana is a boon to our modern life and should be readily available for use and purchase in our city. The council should recognize the gains in revenue that would result in changing present policy to allow equitable cannabis business and access in Beverly Hills.

## CANDIDATE FOR CITY COUNCIL

**LORI GREENE GORDON**  
Occupation:  
Planning Commissioner /  
Businesswoman

As a 50-year resident, alumna of our schools, and Beverly Hills PTA mom for more than 15 years, I have a deep affection for our city. As a UCLA MBA and businesswoman and a member and former Chair of the Beverly Hills Planning Commission (2015-present), I possess the multi-faceted experience to lead our city into the 2020s and beyond.

Beverly Hills needs a change. I would like to be that change for our community.

- The Beverly Hills City Council spends excessively on initiatives such as BOLD with no identifiable financial benefit to the community. We must **stop outrageous council expenditures**—our city’s General Fund is not a blank check.

- A 21st-century city must adapt to contemporary housing needs. To welcome young families, allow seniors to age in place, and create adequate housing stock, it’s time to **champion smart development while protecting our residential neighborhoods**.

- We pay many extraneous fees, such as residential street parking in our neighborhoods. I intend to **reduce inflated water, refuse, and permit parking fees**.

I want to represent you and ensure that our Beverly Hills quality of life is the best it can be. Please cast one of your votes for **Lori Greene Gordon on March 3**.

As your Councilmember and twice Mayor, protecting and enhancing our safety and quality of life has been my greatest priority. I am proud to have taken a leadership role in:

- Development of the Nurse Practitioner and Mobile Stroke Programs for our Fire Department
- Creation of the Next Generation Committee
- Working with the community to redesign La Cienega Park benefiting our children, seniors and residents
- Leading the effort to assist small businesses in a difficult retail environment

#### **With more to accomplish, I pledge to continue to meet our most critical challenges:**

- Insure we maintain our city's infrastructure
- Continue to promote advances in our public safety efforts
