Section 3 – Supplemental Questions

Have you completed Concept Review for this project?  Yes ☐  No ☐

If yes, please attach a copy of the concept review letter to this application.

Please indicate the reason for the Development Plan Review, pursuant to BHMC §10-3-3100*:  

☐ A: All uses involving new construction that requires the issuance of a building permit other than new construction subject to a discretionary permit under this chapter (excluding Architectural Review) or any other interim zoning ordinance of the City

☐ B: All rooftop uses permitted pursuant to BHMC §10-3-3107

☐ C: All projects constructed pursuant to a Density Bonus Permit

☐ D: All new parking lots
    (A new parking lot shall mean a parking lot established in a location not previously used for parking purposes)

☐ E: Conversion of parking to a commercial parking lot
    (Parking shall be considered to be converted to a commercial parking lot upon the initial posting of signs advertising the availability of such parking to the general public. Nothing in this subsection shall require development plan review of an existing parking lot that currently contains signage advertising the availability of parking to the general public. Signage indicating the availability of parking for patrons or employees of a commercial establishment shall not be considered to be signage advertising the availability of parking to the general public)

☐ F: All common interest development projects, as defined in BHMC Title 10, Chapter 2, Article 7

☐ G: All projects which would increase the floor area of a structure or building by two thousand, five hundred (2,500) square feet or more

☐ H: All projects which would increase the height of a structure or building, unless the addition is specified in this chapter as an element not considered when determining building height

*Please note that certain types of projects are exempted from this type of review, pursuant to BHMC §10-3-3101. See the reference BHMC section for more details.

Please also indicate below if any additional planning entitlements are required in connection with the proposed project.

Are there any outstanding Code Enforcement citations on the property?  Yes ☐  No ☐  If yes, please attach copies.

Are there any recorded easements or encumbrances on the property?  Yes ☐  No ☐  If yes, please attach copies. Show easements on survey plan.

Project Description: Explain the overall scope of the project, including other project elements that are not part of the Development Plan Review Request.
Section 4 – Public Notice Requirements

The public notice requirements for all planning applications are located in the Beverly Hills Municipal Code §10-3-2.5. The Public Notice Guidelines (www.beverlyhills.org/publicnotice) document contains more detailed information about fulfilling the noticing requirements for applications. It is recommended that Applicants reference these Guidelines. The following notice information shall be provided by the Applicant at the time of filing the application for a Central R-1 Permit:

RADIUS MAPS

- **Standard Mailed Notice:** Two (2) copies of a map showing a 1000-foot radius (Commission-level) or 100-foot radius (Staff-level) plus block-faces around the subject site and number each parcel touched by that radius consecutively. Include all the adjacent lots that the radius line touches.
- Development Plan Review requests can be considered at either the Staff Level or Commission Level, for which the respective radii are listed below (Noticed properties are shaded):

  
<table>
<thead>
<tr>
<th>Staff/Director Level Review</th>
<th>Planning Commission Review</th>
</tr>
</thead>
<tbody>
<tr>
<td>Required Mailing: 100’ Radius + Block-Face</td>
<td>Required Mailing: 1000’ Radius + Block-Face</td>
</tr>
</tbody>
</table>

MAILING LABELS

- **Two (2) sets** of gummed mailing labels and one (1) photocopy set with the names and addresses of all property owners and residential occupants of properties identified in the radius map. (PROPERTY OWNER INFORMATION MUST BE OBTAINED FROM THE MOST CURRENT LOS ANGELES COUNTY TAX ASSESSOR’S ROLL)
- Labels must be dated within 6 months from the date that the mailed notice is sent. The City will require the labels to be updated prior to sending out any public notice if the date of the labels is greater than six months. Failure to provide updated labels may result in a delay of public noticing.
- Labels must be numbered to correspond to the assigned numbers on the radius map.
- Labels must be on 8.5” by 11” self-adhesive sheets.
- DO NOT abbreviate city names (U.S. Postal Service Request).
- Provide a CD containing the mailing label information in Excel format. The Excel file must contain one list for property owners and one list for residential occupants. The labels must be numbered in such a way to allow for correlation between the property owner and residential occupant(s).

ADJACENT NEIGHBOR MAILED NOTICE LABELS
**Adjacent Neighbor Mailed Notice (Commission-level projects only):** This radius map and labels are required for the initial filing of the application. **Two (2) copies** of a map showing a 100-foot radius around the subject site and number each parcel touched by that radius consecutively. Include all the adjacent lots that the radius line touches. In addition, the applicant must provide pre-paid labels from a private courier service that provides tracking services (such as FedEx or UPS) for all of the owners and residential occupants of properties within the 100-foot radius. An Excel spreadsheet with each address and the associated tracking number provided for the label is also required.

**MAILED NOTICE AFFIDAVIT**
- Completed and signed statement that the labels and maps are complete and current (see [Mailing Affidavit](#) at end of application).

**POSTED NOTICE AFFIDAVIT**
- Please refer to the Public Notice Guidelines for information on how to post an on-site posted notice for this application (see [Posted Notice Affidavit](#) at the end of the application).

**NEIGHBORHOOD MEETING REQUIREMENT**
- If the proposed project will be reviewed by the Planning Commission and is located within 170’ of a residentially zoned property, or is located within a multi-family residential zone, a neighborhood meeting is required to take place prior to submittal of this application. Public notice of this meeting must take place 20 days prior to the meeting date, and must be mailed to all property owners and residential occupants within a 1,000-foot plus block-face radius of the proposed project site. In general, the meeting should take place during the evening hours (5 PM – 9 PM), and should not take place on the weekends or any holiday. The meeting shall take place in a publicly accessible place, and some City facilities are available to be rented. Please see [www.beverlyhills.org/facilityrentalreservations](http://www.beverlyhills.org/facilityrentalreservations) for more information.
- The following documentation is required as evidence of the meeting taking place:
  - Completed and signed **Neighborhood Meeting Affidavit** (included in this application).
  - Completed and signed **Neighborhood Mailing Affidavit** stating that the meeting was noticed in compliance with the required guidelines.
  - A copy of the mailed notice that was sent out.
  - A copy of the mailing list to which the notice was sent.
  - A copy of the meeting agenda and/or summary of the meeting.
  - A copy of the attendance list or sign-in sheet (if available).
- Please communicate with the Planning Division prior to holding this meeting. A Planning staff member will not be involved in planning the meeting, but will likely attend such meeting to observe if scheduling permits.
Section 5 – Submittal Requirements & Checklist

Architectural Plans Required:
- A total of three (3) sets of architectural plans are required for initial submittal: two (2) sets at 11”x 17” size, and two (2) sets at either 12”x 18” or 18”x 24” size*. *Please note that full-size plan sets (24”x 36”) may be requested by the Planner for initial submittal.
  - All plan sets must be stapled, drawn to scale, and legible.
  - All plan sheets must include an architect title block, a graphic scale, the owner’s or authorized agent’s name, address, and telephone number, the project address, and a North Arrow.
  - The following plans in the checklist must be included in the architectural plan set. Inconsistency between drawings, renderings, materials, etc., will be considered an incomplete submittal. Only complete applications will be accepted for filing.

NOTE: You will be required to submit additional plans (total of 10 sets) once the application is ready for review by the decision-making body (Commission-level projects only). All plans must be printed to scale and be legible. If the proposed project requires multiple applications for separate requests, then the submittal requirements of this application may be combined, at the discretion of the Planner.

† Items marked below with this symbol may not be required for every project, at staff’s discretion. Please consult with City staff whether or not such requirement may be waived for application submittal. In order to request a waiver from any of the requirements listed below, please submit a written request specifying the requirement and the reason it is not applicable to the proposed project.

<table>

**• Provide color renderings as viewed from adjacent public streets and alleys. Note that the rendering must accurately represent the project and must be consistent with the elevations and environs.**  
**• Provide two north-south building sections and two east-west building sections. Show all property lines, code-required setbacks, and proposed setbacks on each section.** |
### DEMOLITION PLAN AND CALCULATIONS † (not required for new buildings):
- Provide dollar valuation of proposed improvements (labor and materials).
- Estimated replacement cost of existing building as determined on a square foot basis per determination from the City’s Development Services Program.
- The Development Services Program will have final reviewing authority on whether the existing building is permitted to retain legally nonconforming conditions (i.e., the demolition is less than 50% of the replacement cost of the building) or if it must comply with all applicable zoning and building codes (i.e., the demolition equals or exceeds 50% of the replacement cost of the building).

### HISTORIC PRESERVATION:
- Consultation with the City’s Urban Designer is required prior to project submittal in order to determine if the property/structure is considered to be a local/state/federal historic landmark, a property/structure that involved the work of a local master architect, or any property/structure identified on any of the City’s historic resources surveys.
- Historic Assessment Report (required only if the project involves the demolition of or modification to a local/state/federal historic landmark, a property/structure that involved the work of a local master architect, or any property/structure identified on any of the City’s historic resources surveys)
- If the Urban Designer has determined that the property/structure is not considered a historic resource, documentation must be provided at the time of project submittal indicating that determination. Such determination must be current within six months.

### ENVIRONMENTAL DOCUMENTATION:
- Please consult with Planning staff to determine the environmental review required for submittal.
- Categorical exemption forms can be found here: [www.beverlyhills.org/planningapplications](http://www.beverlyhills.org/planningapplications).

### ADJACENT PROPERTIES:
- Show structures on neighboring properties on the plot plan or on a separate plan and show distances to proposal.
- Include cross-sections through the site and adjacent properties to show the relationship of the proposal to the adjacent properties’ structures. Indicate heights and distances.

### SHADE AND SHADOW STUDY: †
- Diagram the shadows from the proposed structure during the winter and summer equinoxes, from 6 AM to 9 PM at three-hour intervals.

### LOADING STUDY: † (required only if requesting a modification from the loading requirements pursuant to BHMC §10-3-2741)
- Provide a study to indicate that the type/site/location of the proposed loading space area is sufficient to meet the needs of the building and operation.
### PARKING STUDY AND PARKING ACCESSIBILITY DIAGRAMS: †
- Required only if requesting modifications to parking standards as permitted in the City’s Minimum Parking Standards document.
- Provide written description of the specific modifications/deviations requested.
- Provide a turning radius template that shows how a vehicle would access any modified parking stalls and/or would maneuver a modified drive aisle.
- Provide a turning radius template for any access point into a parking area or drive aisle from the City’s public right-of-way.

### ROOFTOP OPERATIONS PLAN: †
- Provide the following information for all enclosed and unenclosed rooftop areas proposed pursuant to §10-3-3107:
  - Indicate the types of uses proposed for all enclosed and unenclosed rooftop areas.
  - Indicate the proposed hours of operation of all enclosed and unenclosed rooftop areas.
  - Indicate the type, frequency (yearly, monthly, daily, etc.) of rooftop events, appointments, etc.
  - Indicate maximum occupancy anticipated for each type of event.

### ABRORIST REPORT: † (required only if requesting to move, replant, replace, etc. a tree located within the City’s public right-of-way)
- Provide an arborist report prepared by an individual that is certified as an arborist by the International Society of Arboriculture (ISA) or an individual who is currently listed as a consulting arborist by the American Society of Consulting Arborists (ASCA). At minimum, the report shall include:
  - A complete inventory of the tree(s) within the City’s public right-of-way with information on the tree size and tree species. Tree size shall be provided in a circumference measurement that is measured at a height of 4’-6” above natural grade.
  - A site plan showing the location of all trees within the front yard area (the trees shall be keyed to the tree inventory).
  - Clear photographs of all trees.
  - The health of all trees within the front yard area.
  - For trees that are proposed to be removed, a reason shall be provided for its removal.
  - Valuation of the tree(s) proposed to be removed.
  - For trees that are proposed to be retained, a description of the tree protection methods and the trees tolerance to construction impacts based on its species and health.
- A proposed tree replacement plan, if new trees are proposed to replace those that are removed. Such replacement plan shall include the species, box size, photograph, growth rate, and maximum growth height.
- Please note that the City Arborist will have final reviewing authority on the moving, replanting, replacement, etc. of any tree located within the City’s public right-of-way. Applicants are encouraged to confer with the City Arborist prior to developing comprehensive architectural plans.
### TENANT INFORMATION REVIEW: †
- Consultation with the City's Rent Stabilization Division to discuss the proposed project and determine if it must comply with any applicable rental or tenant protection regulations. The following information will be required for this review:
  - Income levels of tenants
  - Provide a clearance letter or email from the Rent Stabilization Division noting the result of this consultation meeting.

### REQUIRED STUDIES/REPORTS: †
- VMT Analysis and/or Local Traffic Assessment, unless project is screened out per the City’s thresholds memorialized in Planning Commission Resolution No. 1901
- Construction Management Plan (required only if project requires the preparation of an environmental report)
- Noise Study (required only if request involves rooftop uses or an environmental report is required per CEQA)
  - Please note that if any type of environmental report is required for the project, a noise study will be prepared by the City's environmental consultant. The applicant is responsible for all fees associated with such report.
  - Grading Calculations

### REQUIRED FINDINGS: †
- Provide justification in response to the required findings for this entitlement request.
