

Next Beverly Hills Committee

COMMUNITY LIAISONS OVERVIEW:

- **Position title:** Next Beverly Hills Community Liaison
- **Structure:** Up to 2 liaisons per category
- **Categories:** 11 total (see list attached)
- **Term:** 1 year, starting May 23
- **Time commitment:** 1-5 hours per week (at your discretion)
- **Responsibilities:**
 1. Consume information in your category from City bodies, City reports, community leaders, community organizations, and news sources.
 2. Report noteworthy developments in your category at NBH committee meetings (concise 3 minute reports, including answering any questions).
 3. Represent NBH in your category at City and community meetings and events, when needed.
- **Benefits:**
 - Prestige of holding a leadership position on a prominent City of Beverly Hills committee.
 - Ability to cite this position as relevant leadership experience for future professional and civic leadership opportunities.
 - Access to the latest and most important civic information.
 - Opportunity to build relationships with top City and community leaders.
 - Opportunity to grow your leadership skills, including information gathering, organization, presentations, teamwork, and more.
- **Recommended actions (we will assist you in locating this information):**
 - Attend City Council meetings.
 - Attend relevant Commission and Committee meetings.
 - Engage with relevant City and community organizations.
 - Follow relevant leaders and organizations on social media.
 - Signup for relevant alerts and newsletters.
 - Read local newspapers.
- **Restriction:** Due to potential functional and logistical conflicts, current Commissioners cannot serve as Community Liaisons in the same area as their Commission. For example, a Fine Art Commissioner cannot serve as our Arts Liaison. However, they can serve in any unrelated category. This is to avoid situations where NBH needs to present to a Commission but is unable to because the relevant Community Liaison sits on the Commission; or situations where NBH votes to advocate to a Commission on a certain position that's in conflict with the individual stance of a Commissioner who also serves as the relevant Community Liaison.
