NOTE: All elements of Open Air Dining are subject to Architectural Review.

Will alcohol be served in the open air dining area? Yes ☐ No ☐

Please note that if alcohol is proposed for the open air dining, a railing is required.

C. Hours of Operation: List the daily hours of operation (when open to the public):

________________________________________________________________________

NOTE: If an open air dining area is located within a Transitional Use Area (adjacent to residential properties), the operations are restricted to the following hours: Weekdays: 7AM – 10 PM, Weekends: 9 AM – 10 PM, unless longer hours are approved through an Extended Hours Permit.
D. Parking Requirements

No additional parking is required for open air dining located in the public right-of-way. Additional parking may be required at a rate of either: 1 parking space per 350 square feet or 1 parking space per 45 square feet of bar and dining area on private property. The Planning Commission may establish different parking requirements for dining areas located on private property if it is determined that:

a) The open air dining area will generate a need for parking that is different than the applicable code requirements; or
b) The parking needs are to be met by means other than on-site parking.

If you are requesting that different parking requirements apply, please attach a statement as to why either ‘a’ or ‘b’ above applies in the space provided below. Please see BHMC §10-3-2730 for additional information regarding parking requirements.

E Umbrellas: Proposed umbrellas must meet the following required minimum clearances for the height of the lowest element (see figure below):

Are umbrellas proposed? Yes [ ] No [ ]

NOTE: No signage on umbrellas is permitted.

Minimum Clearance

= 7' if over private property
= 8’ if over public right-of-way
F. **Railings:** All railings/barriers proposed to separate the dining area from the sidewalk must meet the following standards (check each to confirm compliance):

- Removable
- Maximum height of 42 inches
- Designed for a horizontal lateral load of 50 lbs. per foot applied to the top of the rail
- Post and Sleeve attachment/installation in the sidewalk
- Construction includes flush plugs to cover the holes of the sleeves when barrier is removed
- N/A – No railings/barriers proposed.

G. **Railing and Umbrella Combination:** If a railing is proposed in conjunction with an umbrella, the combination must meet the individual railing and umbrella standards, and the following (check to confirm compliance):

- Umbrella must be affixed to the railing
- N/A – No railing/umbrella combination proposed

H. **Accessibility:** Open air dining areas must meet accessibility requirements, including but not limited to:

- Knee Clearance – minimum 30” in width at 27” above the finish floor/ground for a depth of at least 19” (see Figure 1. below)
- Clear Floor or Ground Space for a wheelchair location – minimum 48” in length and 30” in width (see Figure 2. below)
- Ingress and Egress Path of Travel – minimum 36” maintained at all times

The public notice requirements for all planning applications are located in the Beverly Hills Municipal Code §10-3-2.5. The Public Notice Guidelines (www.beverlyhills.org/publicnotice) document contains more detailed information about fulfilling the noticing requirements for applications. It is recommended that Applicants reference these Guidelines. The following notice information shall be provided by the Applicant at the time of filing the application for an Open Air Dining Permit:

RADIUS MAPS

- **Standard Mailed Notice:** Depending on the level of review determined, radius maps of one of the following will be required to be provided. **Two (2) copies** of a map showing the appropriate radius around the subject site and block-faces and number each parcel touched by that radius consecutively. Include all the adjacent lots that the radius line touches (noticed properties are shaded in the images below). **All ground floor businesses within 50’ of the project site must be included in all public notice mailings.**

![Staff/Director Level Review](image)

![Planning Commission Review](image)

- **Adjacent Neighbor Mailed Notice** (Commission-level projects only): This radius map and labels are required for the initial filing of the application. **Two (2) copies** of a map showing a 100-foot radius around the subject site and number each parcel touched by that radius consecutively. Include all the adjacent lots that the radius line touches. In addition, the applicant must provide pre-paid labels from a private courier service that provides tracking services (such as FedEx or UPS) for all of the owners and residential occupants of properties within the 100-foot radius. An Excel spreadsheet with each address and the associated tracking number provided for the label is also required.

MAILING LABELS

- **Two (2) sets** of gummed mailing labels and **one (1) photocopy set** with the names and addresses of all property owners and residential occupants of properties identified in the radius map. *(PROPERTY OWNER INFORMATION MUST BE OBTAINED FROM THE MOST CURRENT LOS ANGELES COUNTY TAX ASSESSOR’S ROLL)*
- Labels must be dated within 6 months from the date that the mailed notice is sent. If the mailed notice is sent outside of this period, please note that updated labels may be required.
- Labels must be numbered to correspond to the assigned numbers on the radius map.
City of Beverly Hills – Open Air Dining Permit Application

- Labels must be on 8.5” by 11” self-adhesive sheets.
- DO NOT abbreviate city names (U.S. Postal Service Request).
- Provide a CD containing the mailing label information in Excel format.

MAILED NOTICE AFFIDAVIT

- Completed and signed statement that the labels and maps are complete and current (see Mailing Affidavit at end of application).

POSTED NOTICE AFFIDAVIT

- Post the Notice of Intent to File for an Open Air Dining Permit on project site (see Notice of Intent form at end). Complete and sign the affidavit stating that the Notice of Intent to File has been posted on-site (see Posted Notice Affidavit at end). Evidence of posting: please submit photos of the Notice of Intent to File for an Open Air Dining Permit both up close and in context.

NEIGHBORHOOD MEETING REQUIREMENT

- If the proposed project will be reviewed by the Planning Commission and is located within 170’ of a residentially zoned property, or is located within a multi-family residential zone, a neighborhood meeting is required to take place prior to submittal of this application. Public notice of this meeting must take place 20 days prior to the meeting date, and must be mailed to all property owners and residential occupants within a 1,000-foot plus block-face radius of the proposed project site. In general, the meeting should take place during the evening hours (5 PM – 9 PM), and should not take place on the weekends or any holiday. The meeting shall take place in a publicly accessible place, and some City facilities are available to be rented. Please see www.beverlyhills.org/facilityrentalreservations for more information.

- The following documentation is required as evidence of the meeting taking place:
  - Completed and signed Neighborhood Meeting Affidavit (included in this application).
  - Completed and signed Neighborhood Mailing Affidavit stating that the meeting was noticed in compliance with the required guidelines.
  - A copy of the mailed notice that was sent out.
  - A copy of the mailing list to which the notice was sent.
  - A copy of the meeting agenda and/or summary of the meeting.
  - A copy of the attendance list or sign-in sheet (if available).

- Please communicate with the Planning Division prior to holding this meeting. A Planning staff member will not be involved in planning the meeting, but will likely attend such meeting to observe if scheduling permits.
Section 5 – Submittal Requirements & Checklist

**Architectural Plans Required:**
- **Staff/Director-Level Review:** three (3) 11”x 17” sets of architectural plans are required.
- **Planning Commission Review:** three (3) 11”x 17” sets of architectural plans are required for initial submittal. *Please note that additional sets at a larger size (12”x 18” or 18”x 24” or 24”x 36”) may be requested by the Planner.
  - All plan sets must be stapled, **drawn to scale**, and legible.
  - All plan sheets must include an architect title block, a graphic scale, the owner’s or authorized agent’s name, address, and telephone number, the project address, and a North Arrow.
  - The following plans in the checklist must be included in the architectural plan set. *Inconsistency between drawings, renderings, materials, etc., will be considered an incomplete submittal. Only complete applications will be accepted for filing.*

**NOTE:** You will be required to submit additional plans (**total of 10 sets**) once the application is ready for review by the decision-making body. If the proposed project requires multiple applications for separate requests, the submittal requirements of the applications may be combined at staff’s discretion.

† Items marked below with this symbol may not be required for every project, at staff’s discretion. Please consult with City staff whether or not such requirement may be waived for application submittal. In order to request a waiver from any of the requirements listed below, please submit a written request specifying the requirement and the reason it is not applicable to the proposed project.

**PHOTOGRAPHS:**
- The applicant shall outline the perimeter of the proposed outdoor dining area on the sidewalk in front of the existing restaurant with removable tape, and provide photographs of the full dining area to assist staff and the public in visualizing the project in relation to the storefront and sidewalk.
- Provide photos of the posted notice, both close-up and in context.

**CERTIFICATE OF INSURANCE:**
- All applicants must hold and maintain a minimum insurance coverage of $2,000,000 general liability for each occurrence, $2,000,000 aggregate, and $1,000,000 in worker’s compensation in conjunction with the operation of open air dining on public property.
- The City of Beverly Hills must be listed as the “Certificate Holder” or “Additional Insured” on the insurance policy. An example Certificate of Insurance is available here: [http://www.beverlyhills.org/CertificateofInsurance](http://www.beverlyhills.org/CertificateofInsurance).

**PLOT PLAN:**
- Show entire parcel (indicate square footage of property) and label all property lines.
- Include labels and dimensions for all existing and proposed structures including railings, fences, and umbrellas.
- Show code-required setbacks (front, sides and rear).
- Parking spaces required and provided.
- Indicate location and width of sidewalks.
- Show location of any public or private easements, curb cuts, and any obstructions in the public right-of-way, including utilities, tree wells, light fixtures, benches, parking meters, street trees, street lights, traffic lights, trash cans, mail boxes, bike racks, valet stands, or other impediments that might affect or be affected by the proposal.
  - A minimum 5’ clearance is required in the public right-of-way around all obstructions. Draw a 5’ radius around each obstruction (see Obstruction Radius Example).
City of Beverly Hills – Open Air Dining Permit Application

- Label the width of the sidewalk and show a minimum of fifty percent (50%) of the sidewalk width has been reserved for pedestrians as part of the public right-of-way, and will remain unobstructed by elements of the proposed outdoor dining area.
  - If there are multiple tenant spaces located on the subject property, show square footages of all spaces.
  - Show dashed line around proposed furniture to generally outline the area that will be utilized for dining, and dimension as a rectangle. Determine and note the square footage of the area if no railing is proposed.
  - See Open Air Dining Diagram Example below for a railing and umbrella combination.
