STAR: ART STUDIO - VIRTUAL [1st - 5th grade]
Join STAR Art Studio for another great session of drawing and painting! Express the artist in you while exploring the fundamentals of art. Learn about the art masters and create your own masterpieces influenced by their individualized style. Using the masters’ artwork for creative inspiration, students will focus on sketching and painting techniques using the elements of shape, color, dimension, space and more as they create their own stunning works of art. **Materials included and will need to be picked up at a designated time/location.**
No class 11/11, 11/25. 7 weeks.
5247 3:00pm - 3:50pm Tu 10/27 - 12/15 $182

STAR: COMPUTER: MINECRAFT ONLINE - [1st - 5th grade]
The virtual world of Minecraft is literally endless, and that means endless fun and adventure is a mouse click away. Gamers will utilize their creativity, teamwork, and problem-solving skills to fulfill the challenges and prompts of our clever Minecraft instructors. Whether you're learning to build a trendy modern-style house, defending a castle against monsters, or solving a mind-bending puzzle created by our instructors, each Minecraft experience is unique! **IMPORTANT: Due to server limitations, this class is 9 students max. Students must have a Windows, Macintosh, or Linux PC capable of running Minecraft Java Edition (No Chromebooks). If you do not own a copy of Minecraft Java Edition, your student can use one of our STAR Minecraft accounts for the duration of the class. Unfortunately, students cannot participate in this class using a phone, tablet, or console version of Minecraft. No class 11/11 & 11/25. 6 weeks.**
5251 3:00pm - 3:50pm W 10/28 - 12/16 $132
Location: Online - Zoom

STAR: LEGO: BRICK LAB: BRICK LAB BUILDERS & BRANIACS - VIRTUAL [1st - 3rd grade]
Using the world famous LEGO© system, build guided or original structures, mechanisms, sculptures, or perhaps even your own unique animal! Brick Lab classes incorporate key elements from S.T.E.M. (Science, Technology, Engineering and Math), but young brainiacs will also be challenged to create projects inspired by history, fantasy worlds, and the community around us. Teamwork, successful project completion and building skills will also be highlighted during the session. Bricklab students advance to new projects and challenges filled with fresh, exciting opportunities after they complete each project. Students will exhibit their most recent project at the end of the session! **Purchase separately required Lego Kit here:** [link](https://www.lego.com/en-us/product/lego-medium-creative-brick-box-10696).
No class 11/11 & 11/25. 7 weeks.
5253 3:00pm - 3:50pm W 10/28 - 12/16 $147

MORE EXCITING CLASS OFFERINGS

STAR: SKATEBOARDING: BOARD BUILDERZ - VIRTUAL [1st - 5th grade]
Join us in our first ever virtual Board Builderz class! Learn the skills to be a skateboard graphic designer as our skateboarding/artist instructor teaches students artistic techniques like composition, shading, overlapping, patterning, and more to design and construct an awesome custom skateboard. After using their skateboard as a canvas, students will assemble their trucks, wheels, and bearings just like the pros do. Skateboard materials included and will need to be picked up at a designated time/location. Note: 1st and 2nd session are the same curriculum. No class 11/26. 7 weeks.

5255 3:00pm - 3:50pm Th 10/29 - 12/17 $210
Location: Online - Zoom

STAR: SCIENCE: SUPER SCIENCE HEROES - VIRTUAL [Parent & Me Kinder - 3rd grade]
Get ready to learn and explore the real science behind your favorite superheroes such as the Avengers and X-Men. Junior scientists will enjoy learning about amazing superhero powers like harnessing the power of electricity, traveling through space, or growing and shrinking in size. Unmask the secrets of DNA and genetic mutations to create your very own superhero. Discover how polymers give Elastigirl and Mr. Fantastic their powers by making your very own slime! Materials included and will need to be picked up at a designated time/location. ADULT ASSISTANCE REQUIRED FOR KINDER STUDENTS. No class 11/26. 7 weeks.
