JUNIOR MASTER GARDEN CLASS – ONE OF MANY OFFERED THROUGH CITY OF BEVERLY HILLS COMMUNITY SERVICES PROGRAMS

An exciting outdoor adventure awaits your children! The City of Beverly Hills offers the Junior Master Garden Class at Greystone Mansion this summer. Your child will learn how to start a vegetable garden with weekly projects that will develop critical thinking skills, entrepreneurial skills, and confidence through in-class project presentations. They will create their own topiary/greenhouse, make paper pots for their seedlings and design greeting cards that grow into flowers/herbs! Participants will receive the “Golden Ray” Certificate from Texas A&M University Junior Master Garden Program upon course completion and when all criteria is met. For more information and to register for upcoming Beverly Hills Summer Camps and Enrichment Classes go to www.beverlyhills.org. Visit our Facebook page at www.facebook.com/BHRecandParks and LIKE US!
