4. Rent Stabilization Division Monthly Staff Report for November 2022
Staff seeks to inform the Rent Stabilization Commission on the Rent Stabilization Division’s monthly activity.

- Report received and filed.

COMMUNICATIONS FROM THE COMMISSION

- Commissioner Bronte thanked Chair Milkowski for his leadership and wished everyone happy holidays.
- Commissioner Lindsey-Cerqueira wished everyone a Happy New Year and was grateful to have everyone working together.
- Commissioner Miller expressed concern regarding the late hour at which the matter on allowable rent increases came before the City Council in 2022. She stated that the City Council should have saved the discussion for another meeting to allow for better communications from the public. She would like for the Commission to make a statement about this issue.
- Chair Milkowski thanked the Commission for their collaborative work and wished everyone a happy and healthy new year.

COMMUNICATIONS FROM STAFF

- Director of Community Development Timothea Tway informed the Commission of the following:
  - At its meeting on January 3, the City Council conducted the first reading of a proposed ordinance amending both Chapter 5 and Chapter 6, which removes Major Remodeling as an allowable ground for eviction, as recommended by the Rent Stabilization Commission.
  - Per the request of Councilmember Mirisch, the City Council conducted a Study Session discussion at its December 13 meeting, regarding protections for tenants facing eviction due to potential new construction. The City Council requested that the Commission look at existing protections for tenants and see if anything should be changed relative to those protections. As such, the Commission will take a small hiatus from the pass through discussion and move forward with the City Council’s request.
