Dear CERT volunteers, as Covid-19 Delta variant keeps on the rise according to the data from the County of Los Angeles Public Health and the CDC, it is very important to keep wearing face coverings regardless of vaccination status when indoors. Your healthy practices reflect a healthy community.

For the latest COVID-19 news, visit beverlyhills.org/coronavirus or call the City’s COVID-19 Hotline Monday-Friday from 9 a.m. – 6 p.m. at 310-550-4680.

This week information, as follows:

- COVID-19 Delta variant update
- JUST IN CASE BH Zone 7 walk on July 31 at 9:30 am
- Disaster Preparedness
- CERT Callout Team registrations
- Public Announcements

If you have questions, comments or concerns about the CERT program, please contact us at cert@beverlyhills.org or visit the website at http://www.beverlyhills.org/departments/firedepartment/cert/web.jsp

Neighbors helping neighbors.
DO I NEED TO SELF-ISOLATE?

- I have tested positive for COVID-19
- I have symptoms and a healthcare provider thinks I have COVID-19 regardless of my vaccination status

WHAT MUST I DO?

- **STAY HOME** except to get essential medical care
- **STAY AWAY** from others at home
- **WEAR A MASK** if you must be around others
- **CLEAN & SANITIZE** any shared surfaces and rooms

HOW LONG MUST I ISOLATE?

- At least 10 days since symptoms started **and**
- No fever for at least 24 hours (without fever-reducing medicine) **and**
- Symptoms have improved

If you test positive but never had symptoms, isolate for 10 days after the test was taken

TELL YOUR CLOSE CONTACTS

- They could be infected and need to quarantine even if they feel well

Also stay in touch with your medical care provider for the latest information regarding vaccination appointments.

The Just In Case BH program is offering emergency kits through Beverly Hills CPR.

Automated External Defibrillator, AED can be purchased for any home or facility. Stop The Bleed kits are available for purchase, as well CPR books.

**UPDATE**

We will now be focusing on Zone 7. As with all future zones, we will walk all of Zone 7 to distribute flyers and greet residents on Saturday, 07/31/2021. Committee members and volunteers will meet at 9:30 am at the 9233 Burton Way Median. The Zone 7 Block Captain Zoom meeting is scheduled for July 27, 2021 at 5:00 pm (Block Captain Meeting Zoom Link) The Zone 7 Resident Zoom meeting is scheduled for August 5, 2021 at 5:00 pm (Zone 7 Zoom Meeting).
Beverly Hills recently launched **JUST IN CASE BH**, a City-led, neighborhood-based emergency preparedness program to bring together Beverly Hills residents, businesses, Fire, Police, and other City agencies before, during, and after disaster strikes.

Please share this information with everyone you know who lives or works in Zone 7. We need an informed and proactive community for the program to succeed.

To find out your zone and to register for the meeting, visit our official website at JUSTINCASEBH.ORG.

DISASTER PREPAREDNESS

Prepare Your Pets for Disasters

Your pets are an important member of your family, so they need to be included in your family’s emergency plan. To prepare for the unexpected follow these tips with your pets in mind:

1. Make a plan.
2. Build an emergency kit.

Make a Plan

If you have a plan in place for you and your pets, you will likely encounter less difficulty, stress and worry when you need to make a decision during an emergency. If local officials ask you to evacuate, that means your pet should evacuate too. If you leave your pets behind, they may end up lost, injured or worse.

Also stay in touch with your medical care provider for the latest information regarding vaccination appointments.
Things to include in your plan:

- **Have an evacuation plan for your pet.** Many public shelters and hotels do not allow pets inside. Know a safe place where you can take your pets before disasters and emergencies happen.

- **Develop a buddy system.** Plan with neighbors, friends or relatives to make sure that someone is available to care for or evacuate your pets if you are unable to do so.

- **Have your pet microchipped.** Make sure to keep your address and phone number up-to-date and include contact information for an emergency contact outside of your immediate area.

- **Contact your local emergency management office, animal shelter or animal control office** to get additional advice and information if you’re unsure how to care for your pet in case of an emergency.

**Stay Informed**

Being prepared and staying informed of current conditions. Here are some ways you can stay informed:

- **Pay attention** to wireless emergency alerts for local alerts and warnings sent by state and local public safety officials.

- **Listen to local officials** when told to evacuate or shelter in place.

- **Download the FEMA app** and get weather alerts from the National Weather Service, for up to five different locations anywhere in the United States.

- **Always bring pets indoors** at the first sign or warning of a storm or disaster.

Also stay in touch with your medical care provider for the latest information regarding vaccination appointments.

PROTECTED BIKE LANE DEMONSTRATION PROJECT AND COMMUNITY BIKE RIDE JULY 25
Event on Roxbury Drive to Demonstrate Design and Solicit Feedback

Beverly Hills, CA – On Sunday, July 25, 2021, from 10:00 a.m. to 4:00 p.m., the City of Beverly Hills will host a Protected Bike Lane Demonstration Project event to test a proposed protected bike lane on southbound Roxbury Drive, south of Olympic Boulevard, adjacent to Roxbury Park.

Using temporary markings, signs, and planters, this demonstration will show what a protected bike lane looks like and offer the chance for cyclists to test the proposed bike lane configuration and provide feedback on the design. Members of the community are encouraged to attend the event on bicycle, ride through the pop-up protected bike lane, and share their experiences and thoughts on the proposal. In addition at 10:30 a.m., Beverly Hills Mayor Bob Wunderlich will lead a Community Bike Ride along a two mile loop in the area.

This segment of Roxbury Drive is identified as a high priority project in the City’s Complete Streets Action Plan, a supplemental document to the Complete Streets Plan that City Council adopted on April 20, 2021. Due to the available street width, this location provides the opportunity to install a high-quality bicycle facility connecting to existing bike lanes in Los Angeles with no reduction of parking spaces or impacts to vehicle travel lanes. Following the demonstration project event, the City Council will review the findings, including public comments, and consider a plan for a one-year pilot project.

What: Protected Bike Lane Demonstration Project Event and Community Bike Ride
When: Sunday, July 25, 2021, from 10:00 a.m. to 4:00 p.m. (Community Bike Ride with Mayor Wunderlich at 10:30 a.m.)
Where: Roxbury Drive at Olympic Boulevard, adjacent to Roxbury Park

For questions, please contact the Public Works Department at (310) 285-2467 or email AskPW@beverlyhills.org. To learn more about the Complete Streets Plan and projects, visit beverlyhills.org/completestreets.

Also stay in touch with your medical care provider for the latest information regarding vaccination appointments.
CERT CALLOUT TEAM

HIDRATION UNIT, RED FLAG PATROL, DOWNED WIRE WATCH
