**Subject:** Segment 2 - Purple Line Extension Project ICM Weekly Report  
**November 3, 2019 – November 9, 2019**

Dear Mr. Welch and Mr. Comorre:

Environmental Intelligence, LLC (EI) has been retained by the City of Beverly Hills (COBH) and the Los Angeles County Metropolitan Transportation Authority (Metro) to serve as the independent compliance monitor (ICM) during construction of the Purple Line Extension Project. Monitoring is required to ensure that construction is in compliance with the "Memorandum of Agreement for Contract C1120 of the Purple Line Extension Project - Between the City of Beverly Hills and the Los Angeles County Metropolitan Transportation Authority" (Final Version 62). The following information summarizes the ICM monitoring activities that occurred at the Segment 2 site (Rodeo Station site) during the week of November 3, 2019 – November 9, 2019.

Construction activities during the week included setting up lane closure per TPOG LCNs, drilling at pile locations and removing spoils from site, installing steel I-beams, concrete and slurry for pilings, installing fire hydrant and conducting storm water catch basin maintenance west of Beverly Dr., sawcutting, breaking and potholing utility locations within Wilshire Blvd, at the N, Canon Dr. intersection. In addition, EI ICMs conducted sound monitoring near the back alley of the Beverly Hills High School bungalows adjacent to the project site. EI ICMs were present during all construction activities and conducted routine noise measurements at selected noise monitoring locations as well as compliance checks in accordance with the MOAs and associated attachments, exhibits, traffic closure notifications, and traffic management plans. At the conclusion of each work shift, daily monitoring reports were prepared by each ICM. Attachment B (*Daily Monitoring Reports*) provides detailed daily monitoring reports and photographs of construction activities.

## **VIOLATION SUMMARY**

During the week, EI ICMs identified two (2) violations during construction activities. Table I provides a summary of the violations identified during the week of November 3, 2019 to November 9, 2019 and Exhibit 1 provides a location map for the submitted violations. Details for the violations are included as Attachment A. Daily monitoring reports and photographs of construction activities are provided as Attachment B (*Daily Monitoring Reports*). Daily noise monitoring data are provided in Attachment C (*Noise Monitoring Data Log*).

## CONCLUSION

To date, 145 violations have been issued, five (5) of which have been rescinded since the beginning of construction of the Purple Line Extension Project – Segment 2. Please note, no violation 77 was ever issued, therefore it is skipped in the numbering sequence and is omitted from this count. Project construction activities are ongoing and EI ICMs continue to monitor all construction activities applicable to the MOA on a daily basis.
