CONSTRUCTION PERMIT NOTICE

PLAN REVIEW EXTENSIONS ARE NO LONGER AVAILABLE

Effective January 1, 2020 all new and expired applications for plan review must comply with new Building Standards laws and locally adopted amendments. On November 19, 2010 Beverly Hills City Council adopted Ordinance 19-O-2793 eliminating plan review extensions to ensure compliance with current laws and building standards.

How to proceed with an expired plan check?

Plan checks not completed within the expiration date will not be allowed to continue without a new application and complying with current laws and codes. A new application and plan check shall be submitted for review and approval of an expired plan check.
