Dear Residents and Business Operators,

The City of Beverly Hills has contracted with Henkels & McCoy, Inc. to install fiber in the public right-of-way as part of the Fiber-To-The-Premise project. They will be performing installation of microducts, conduits, pull boxes and fiber in your area.

What to Expect:

- Work hours are Mon. - Fri. 8 a.m. - 5 p.m. (excluding holidays).
- Access to your driveway will be maintained.
- Minor excavation in the parkway, sidewalk or street (public right-of-way) – landscaping will be restored.
- Some noise and dust from construction activities.
- Traffic control devices, such as no parking signs, cones and delineators.

Remember to always be careful when driving or walking through or near a construction area. Thank you in advance for your patience and cooperation.
