ATTACHMENT: 1. Proposal Deck for the 2022 Rodeo Drive Concours d’Elegance

INTRODUCTION
This report provides the City Council Liaison /Rodeo Drive/Special Events/Holiday Program Committee (Liaisons) with the request for funding and street closures for the Rodeo Drive Concours d’Elegance Beverly Hills Father’s Day Car Show to be held on Sunday, June 19, 2022. The Liaisons are requested to review conceptual designs, event elements, funding request and street closure requests. If approved, the item will be heard by the full City Council at the Tuesday, April 12, 2022 City Council meeting.

DISCUSSION
The Rodeo Drive Concours d’Elegance (Concours) has become a legacy program held in the City of Beverly Hills since its creation in 1993. The show was not held in 2020 due to COVID-19 and in 2021 a modified version called the Tour d’Elegance was held on Father’s Day as a touring car rally through the streets of Beverly Hills rather than the famed all day Rodeo Drive car show. The Concours event is curated with the support of longtime Beverly Hills resident and car enthusiast Bruce Meyer and has drawn crowds as high as 46,000 attendees over the course of the entire day to Beverly Hills and Rodeo Drive in particular.

The 2022 Concours event is scheduled for Sunday, June 19th from 11am-4pm on Rodeo Drive. Building on the success of last year’s Tour d’Elegance car rally, this year’s Concours event will also include a curated VIP/Sponsor vehicle tour of cars traveling from Beverly Hills City Hall through the streets of Beverly Hills and concluding on Rodeo Drive the morning of Father’s Day. This will give spectators the opportunity to see the spectacular vehicles in motion.

The 2022 Concours event will also build on the existing partnerships between the Rodeo Drive Committee (RDC), the Beverly Hills Conference and Visitors Bureau (CVB), and the Beverly Hills Chamber of Commerce (Chamber) who will work collaboratively to amplify the marketing message that this is an event that is open to the public and a wonderful way to spend Father’s Day in Beverly Hills. Visitors to the event, and residents of Beverly Hills, will be encouraged to shop and dine locally in Beverly Hills before, during, and after the event. With access to some
of the world’s best shopping and dining destinations within walking distance, there are plenty of opportunities for attendees to make a whole day of it here in Beverly Hills.

This year, Beverly Hills luxury auto dealership O’Gara Coach will return as the top sponsor showcasing some of their rarest and most historic vehicles. Additional sponsorships will be secured at various levels including other local brands in Beverly Hills.

**Street Closure Request:**
The 2022 Concours event will require the following street closures as detailed below:

<table>
<thead>
<tr>
<th>Street Closure</th>
<th>Start Time</th>
<th>End Time</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Crescent Drive</strong> (From S. Santa Monica Blvd. to N. Sana Monica Blvd.) for the Start of the Driving Tour**</td>
<td>Sunday, June 19th 7:00AM</td>
<td>Sunday, June 19th 11:00AM</td>
</tr>
<tr>
<td><strong>Rodeo Drive</strong> (From Wilshire Blvd. to S. Santa Monica Blvd.)</td>
<td>Saturday, June 18th 9:00PM</td>
<td>Sunday, June 19th 10:00PM</td>
</tr>
<tr>
<td><strong>Dayton Way</strong> (From Rodeo Drive to the alleyways on either side)</td>
<td>Saturday, June 18th 9:00PM</td>
<td>Sunday, June 19th 10:00PM</td>
</tr>
<tr>
<td><strong>Brighton Way</strong> (From Rodeo Drive to the alleyways on either side)</td>
<td>Saturday, June 18th 9:00PM</td>
<td>Sunday, June 19th 10:00PM</td>
</tr>
</tbody>
</table>

**Note, the VIP/Sponsor Driving Tour may require a combination of rolling street closures and temporary hard street closures to accommodate the cars on the tour through the City. The exact configuration will be determined by event organizers in cooperation with the Beverly Hills Police Department to minimize traffic impacts and ensure a safe route.**

**Funding Request:**
The 2022 Concours event funding will include a combination of sponsorship funds, exhibitor booth fees, City funding and fee waivers. A detailed budget incorporating both the tour and car show can be found in Attachment 1 to this report. In previous years, if sponsorship dollars were raised in excess of projection targets, any excess sponsorship funding was to be provided to the City to reduce the overall City contribution to the event costs. The Liaisons may require this as part of the 2022 event as well.

**Fee Waivers**
In 2019, the street closure fee was waived for the street closures on Rodeo Drive, Dayton Way, and Brighton Way. For 2022, the street closure fee is again requested to be waived for Rodeo Drive, Dayton Way, and Brighton Way as well as Crescent Drive and any associated rolling street closures needed for the Driving Tour. Total fee waiver will be determined based on the selected route and method for closure in cooperation with the Beverly Hills Police Department.

**City Funding**
For the 2022 Concours d’Elegance, the requested City base funding allocation is $199,150. Additionally, sponsorship dollars and exhibitor fee revenue in 2022 is projected to be $195,000. This is a $26,650 increase in base funding requested compared to 2019 and a $25,440 increase in sponsorship dollars and exhibitor fee revenue compared to 2019. According to the event organizers, the increased base funding request is due to several factors including but not limited to the following:
• Additional restrooms to accommodate the increased crowd size after the 2019 challenges on restroom load
• Increased labor costs in all areas of the budget in 2022 vs. 2019
• Increased private security presence for 2022
• Increased insurance costs for 2022
• Increased rental costs for k-rails, traffic control equipment for 2022
• Adding the Tour component to the Car Show (Two event locations to manage/set-up)

For 2022, there are also three additional considerations that are listed in the budget as optional add-ons (see Attachment 1). These include video monitors, camera packages, LED video walls, and branded collateral all available to enhance the on-site experience for the guests, participants, public service announcement delivery, and sponsorship opportunities. With the increase in sponsorship dollars and exhibit fees to be raised in 2022, organizers are looking at enhancements for the day-of experience as a way to provide additional branded and messaging opportunities. The Liaisons may opt to add one or none of the additional consideration items.

Street Pole Banners
For the 2021 Tour d’Elegance, street pole banner installation was expanded beyond just Rodeo Drive to include Rodeo Drive, N. Canon Drive, N. Beverly Drive, and the area of Crescent Drive in front of City Hall. For 2022, the organizers are requesting the City cover the cost for installation and fabrication of the street pole banners as part of this extended street pole banner campaign including Rodeo Drive, N. Canon Drive, N. Beverly Drive, and the area of Crescent Drive. That cost is estimated at roughly $13,500 and can be paid for through an existing contract with AAA Banner & Flag with funding identified in the Policy and Management Marketing Budget. It should be noted the banner designs are still being developed for this program and will be shared once available.

Local Newspaper Ads
As with previous events, the City will also cover the cost of ads in local newspapers reminding residents about the upcoming street closure impacts. This cost is estimated at $6,440 with funding available in the Policy and Management Communications Budget.

FISCAL IMPACT
In 2018 the base funding allocation from the City was $171,200 and in 2019 it was $172,500. For the 2022 Concours event, organizers are requesting $199,150 from the City in base funding. Funding for this request is available in the City Council approved Fiscal Year 2021-22 (FY 21-22) Policy & Management Department Tourism and Marketing budget (00101311). An additional $195,000 is proposed to be raised in sponsorships and/or exhibitor booth fees for the event by the organizers.

Staff is proposing to utilize funds from the City Council approved FY 21-22 Policy & Management Communications budget (48008302) and Marking budget (48008303) for the costs associated with street closure notification ads in the local newspapers as well as the costs for street pole banner fabrication and installation across multiple streets.

Finally, staff is requesting the City Council waive the street closure fees associated with Concours as an in kind contribution as was done in 2019.

After the tremendous success of the 2021 Tour d'Elegance, new this year will be a similar driving tour element where invited automotive enthusiasts will drive a planned route around the beautiful streets of Beverly Hills. The Tour will conclude on Rodeo Drive, where the drivers and vehicles will join the Concours event, giving spectators the rare opportunity to see these cars not only in motion on public roads, but also appreciate them up close.

Together, the Tour and Concours will create a new and inclusive event, the 2022 Rodeo Drive Concours d'Elegance Beverly Hills Father's Day Car Show.

The 2022 Diamond-level sponsor will be O'Gara Coach Beverly Hills, one of the largest luxury car dealerships in the country. A hand-picked selection of their best examples from the past and present will participate in the car tour and take over the 200 block of Rodeo Drive on Father’s Day.

Each year, dozens of automotive and mainstream media outlets cover the event in the lead-up, day-of and afterward. The one-day show benefits from several months of coverage online, in print, and on television – increasing exposure for your brand beyond just the day of the event. In 2021, major Los Angeles-area television stations shared on-air coverage in 24 standalone news segments with their viewers. In addition to traditional media, the event also draws plenty of social media influencers, both automotive and otherwise. On Father’s Day in Los Angeles, all eyes are on Rodeo Drive.
