Occupation: Educator

As Beverly Hills enters a new era of immense changes and external pressures from state mandates, it's critical to elect leaders with relevant experience and know-how to protect what makes Beverly Hills a special place to live.

I have **25 years of experience** serving Beverly Hills residents:

- Chair of Planning Commission
- Chair of Health and Safety Commission
- Beverly Hills School Board President
- Neighborhood Watch/Just In Case BH Block Captain
- Friends of the Beverly Hills Library President

I'm committed to keeping neighborhoods safe, ensuring businesses thrive, and giving residents a voice.

As your city councilmember, I'll:

- Support law enforcement with policies and resources to fight antisemitism and crime
- Plan developments to alleviate traffic, promote walkability and satisfy state mandates
- Attract resident serving businesses
- Maintain our quality of life, world class services and give residents a voice at City Hall.

My husband and I proudly raised four sons here. We have benefited from Beverly Hills' exceptional public schools, police and fire departments, and amenities. Professionally, I've taught Mathematics at the Secondary through Graduate level for 20 years.

I promise to continue my work to keep Beverly Hills the best place in California for residents to live and businesses to grow.
