Participants include such noted designers as Kristen Buckingham, Timothy Corrigan, Patrick Dragonette, Benjamin Dhong, Oliver Furth, Cliff Fong, Jane Hallworth, Lauren Liess, Molly Luetkemeyer, Amy Meier, Frances Merrill, Julie Massucco Kleiner and Melissa Warner, Brian Paquette, Mat Sanders, Andrea Schumacher, Mark D. Sikes, Sara Story, Summer Thornton, Benjamin Vandiver, Chloe Warner and Beth Webb.

Architect Gordon B. Kaufman began building Greystone for the Doheny family in 1927. The 46,000-square-foot estate, with formal gardens on 18.5 manicured acres, is situated in Trousdale Estates above famed Sunset Boulevard. Thanks to the generosity of participating designers and sponsors, and through Friends of Greystone, a non-profit organization dedicated to the restoration of Historic Greystone Estate, the property continues to receive lasting improvements and working capital to help preserve its status as one of the great houses in America.
