Address Verification

The address submitted for application of an annual parking permit was determined not to be included in the City's address database as a necessary component to allow for issuance of a parking permit. The complete information below must be completed and submitted to the Community Development Department in order that we may initiate further verification of this address. Building and Safety will initiate this address verification, which may include contacting the on-site building manager, landlord, management company, and/or property owner as necessary to complete this process. As the applicant, you will be notified upon the determination of the address verification.

The Development Services Division may be contacted at (310) 285-1141.
